

How to Draw a Balloon

Celebration time in 4 steps

Step 1:

Draw upside-down teardrop for the balloon

Step 2:

Add small tied knot at the bottom

Step 3:

Draw curvy ribbon string hanging down

Step 4:

Add shine highlight and floating confetti

Tips

-  Balloon is wider at top, tapered at bottom
-  Not a perfect circle - slightly egg-shaped
-  Knot is small triangle or bow
-  String curls and waves naturally
-  Add white highlight for shiny latex
-  Shade opposite side from highlight
-  Draw multiple balloons in cluster
-  Add confetti or streamers around
