

How to Draw a Cat Face

Purr-fect in 6 easy steps

Step 1: Draw a circle for the head

Step 2: Add two triangle ears at the top

Step 3: Draw light guidelines to place features

Step 4: Add big oval eyes, triangle nose, curved mouth

Step 5: Add pupils, inner ears, and whisker dots

Step 6: Draw whiskers, add fur detail and shading

Surprised Cat

Sleepy Cat

Tips Box

- Cats have large eyes relative to face
- Nose is small and centered
- Whiskers come from the cheek area
- Ears can point different directions for personality
- Add fur texture with short strokes

Every cat has personality - experiment with eye shapes and ear positions!

Trace over these shapes, or use them as reference for your own freehand drawings.
