My Dearest Love

My dearest love I feel your hand in mine
My sweet voice is with you in every tone

When you smile at me with your eyes so blue
I know you are with me in every mood
And when you are with me in every mood
I know you are with me in every mood

My dearest love I feel your hand in mine

My dearest love I feel your hand in mine
My sweet voice is with you in every tone
When you smile at me with your eyes so blue
I know you are with me in every mood
And when you are with me in every mood
I know you are with me in every mood
