# How to Create Your Vision Board

## 1. Choose your categories

Identify key areas of your life (e.g., career, relationships, health, travel) to focus on.

## 2. Cut out the images that speak to you

Gather photos, quotes, and illustrations from magazines or online that evoke strong positive feelings and goals.

## 3. Arrange them on a board or in a journal

Experiment with layouts, layering elements to create a visually pleasing and meaningful collage.

## 4. Add your own affirmations

Write powerful, positive statements in the present tense that reinforce your vision and beliefs.

## 5. Display where you will see it daily.

Place your vision board in a prominent spot (e.g., bedroom, workspace) to keep your goals top of mind.
