Envelope

LINE PRACTICE EXERCISES

STRAIGHT LINES

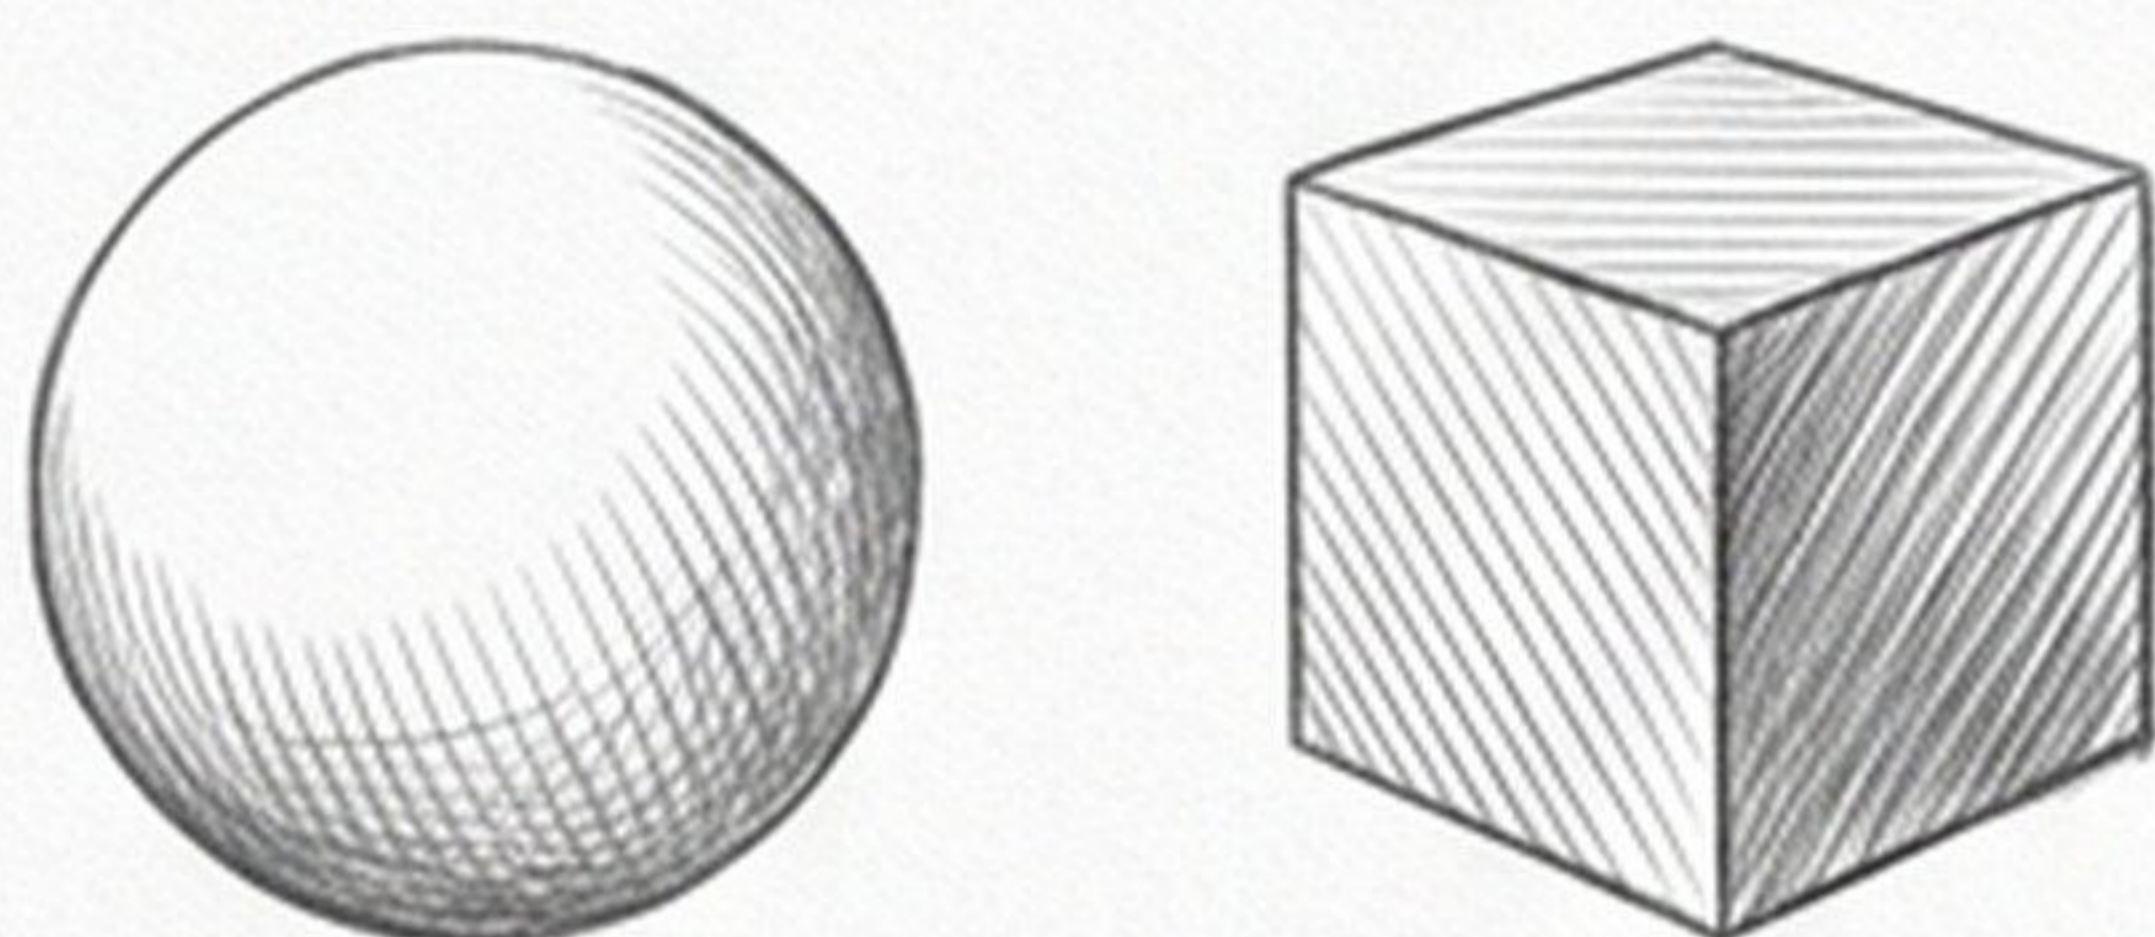

Draw vertical, horizontal, and diagonal lines with consistent pressure.

CURVED LINES

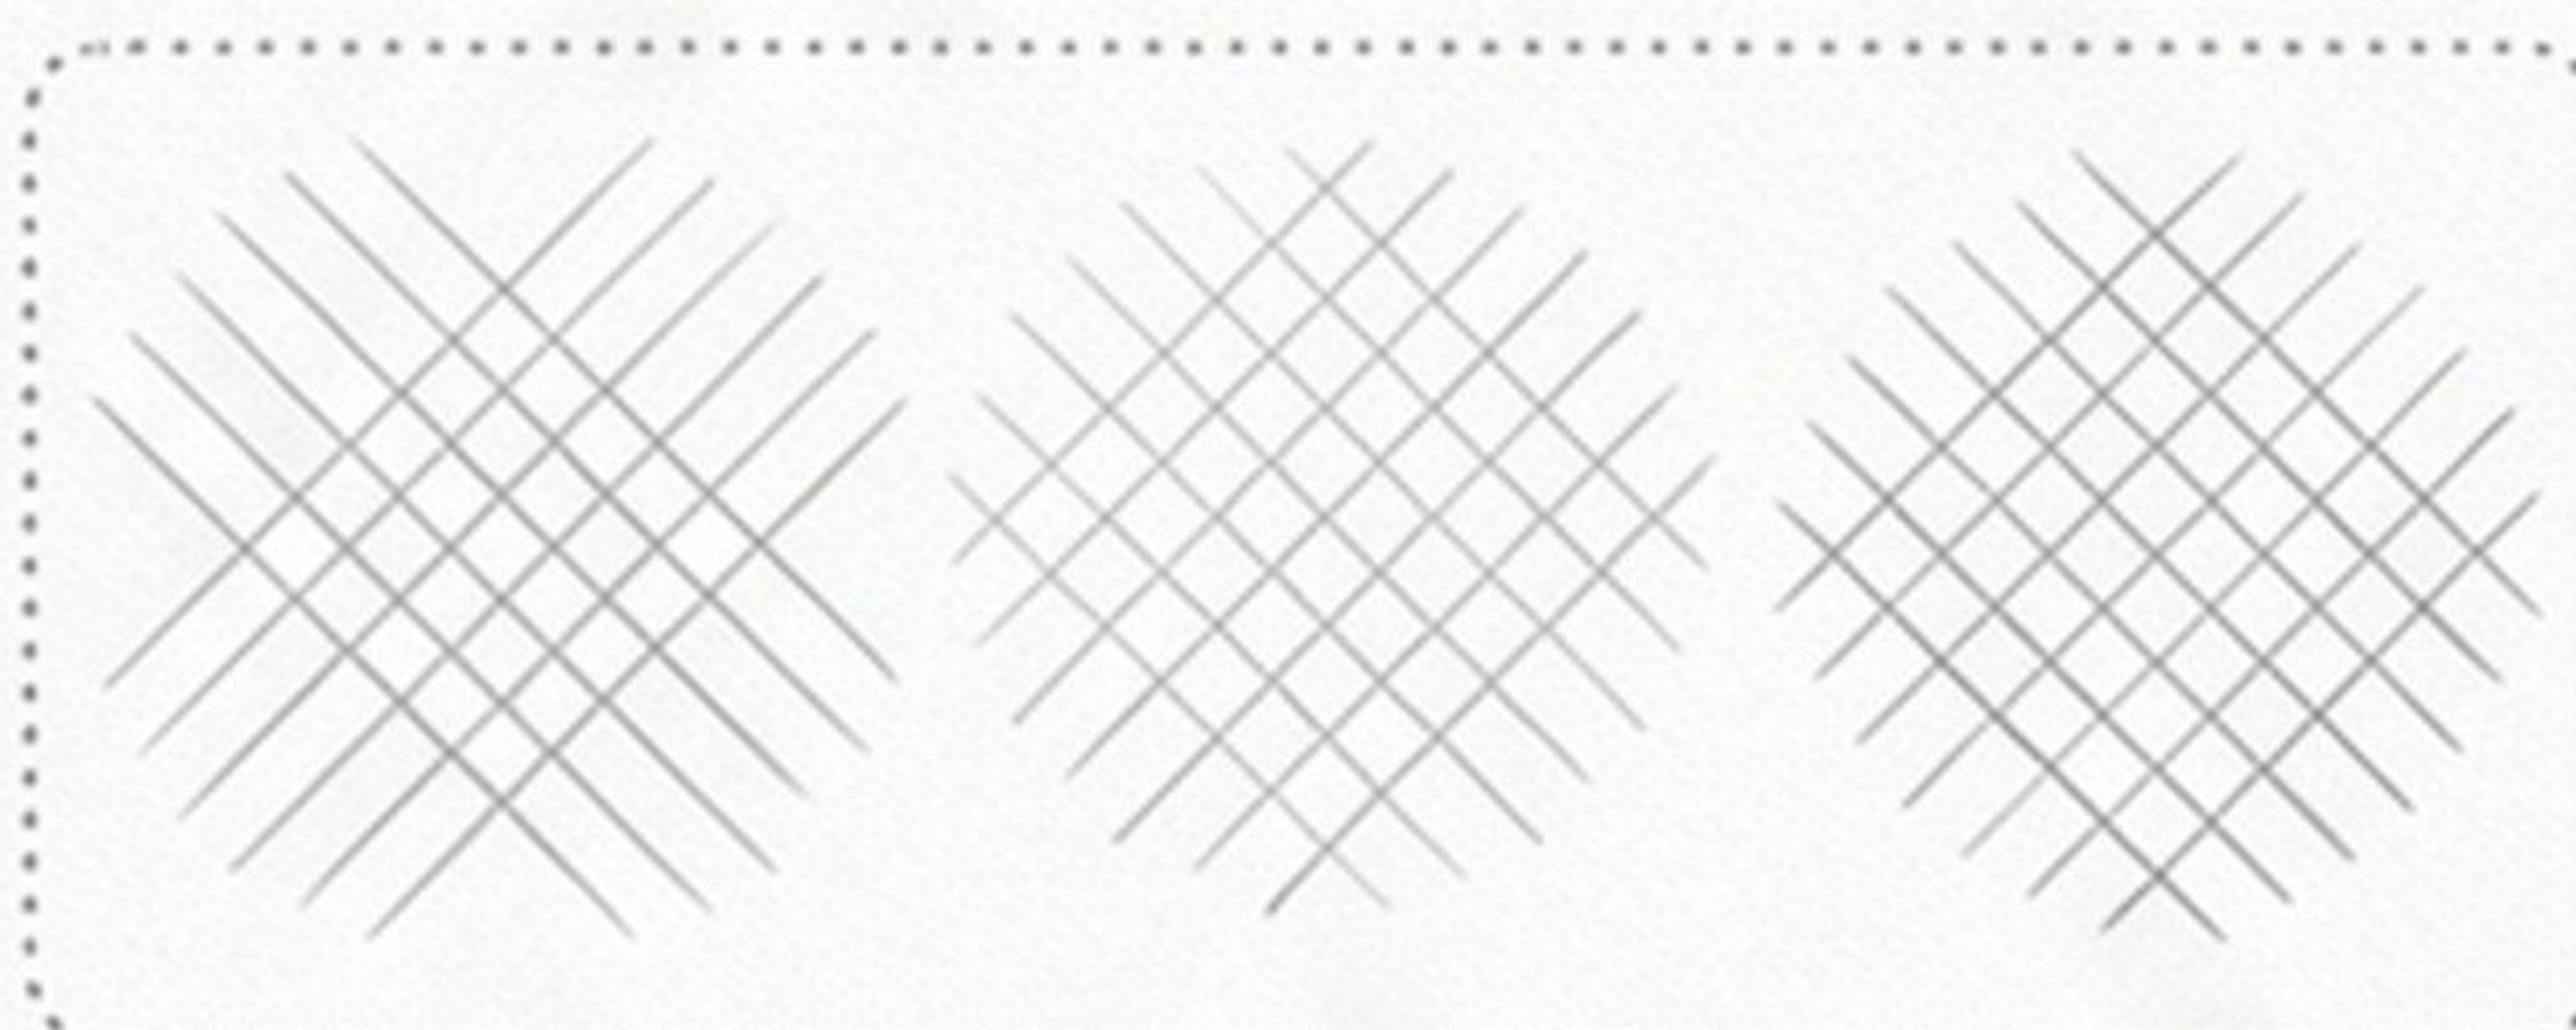

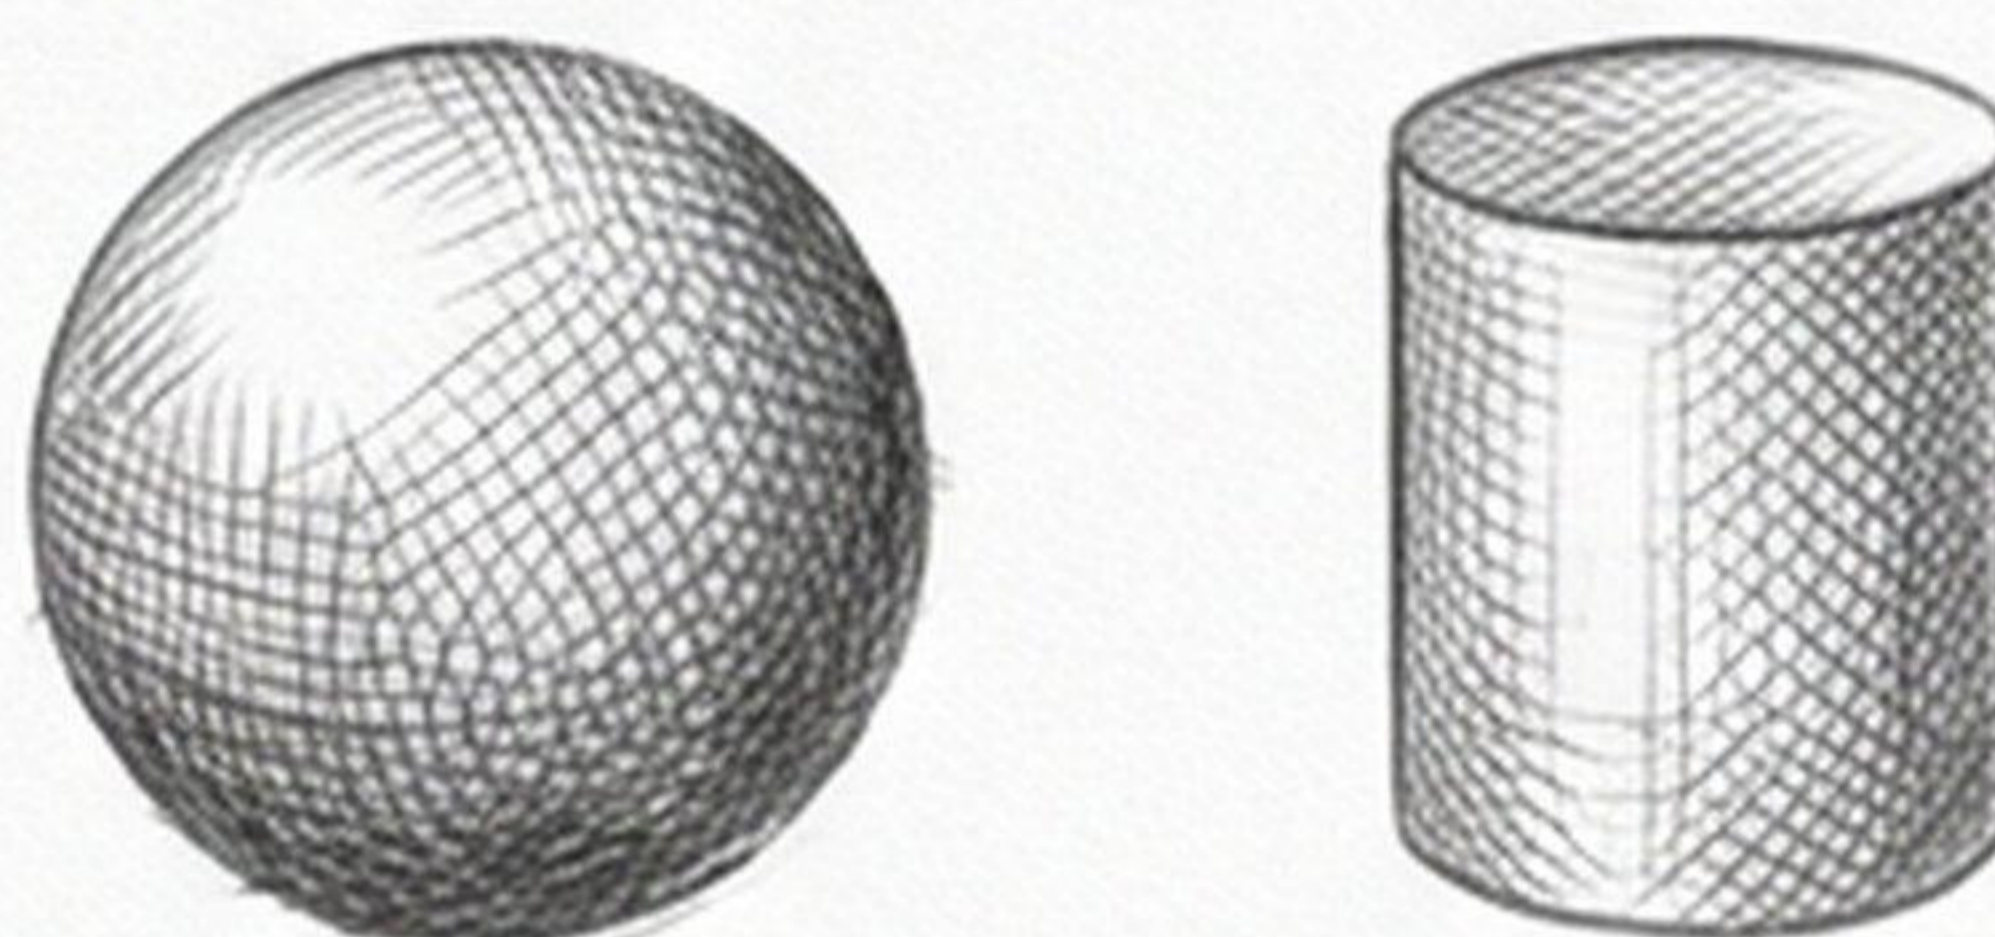

Trace curves, waves, and spirals to build control.

HATCHING

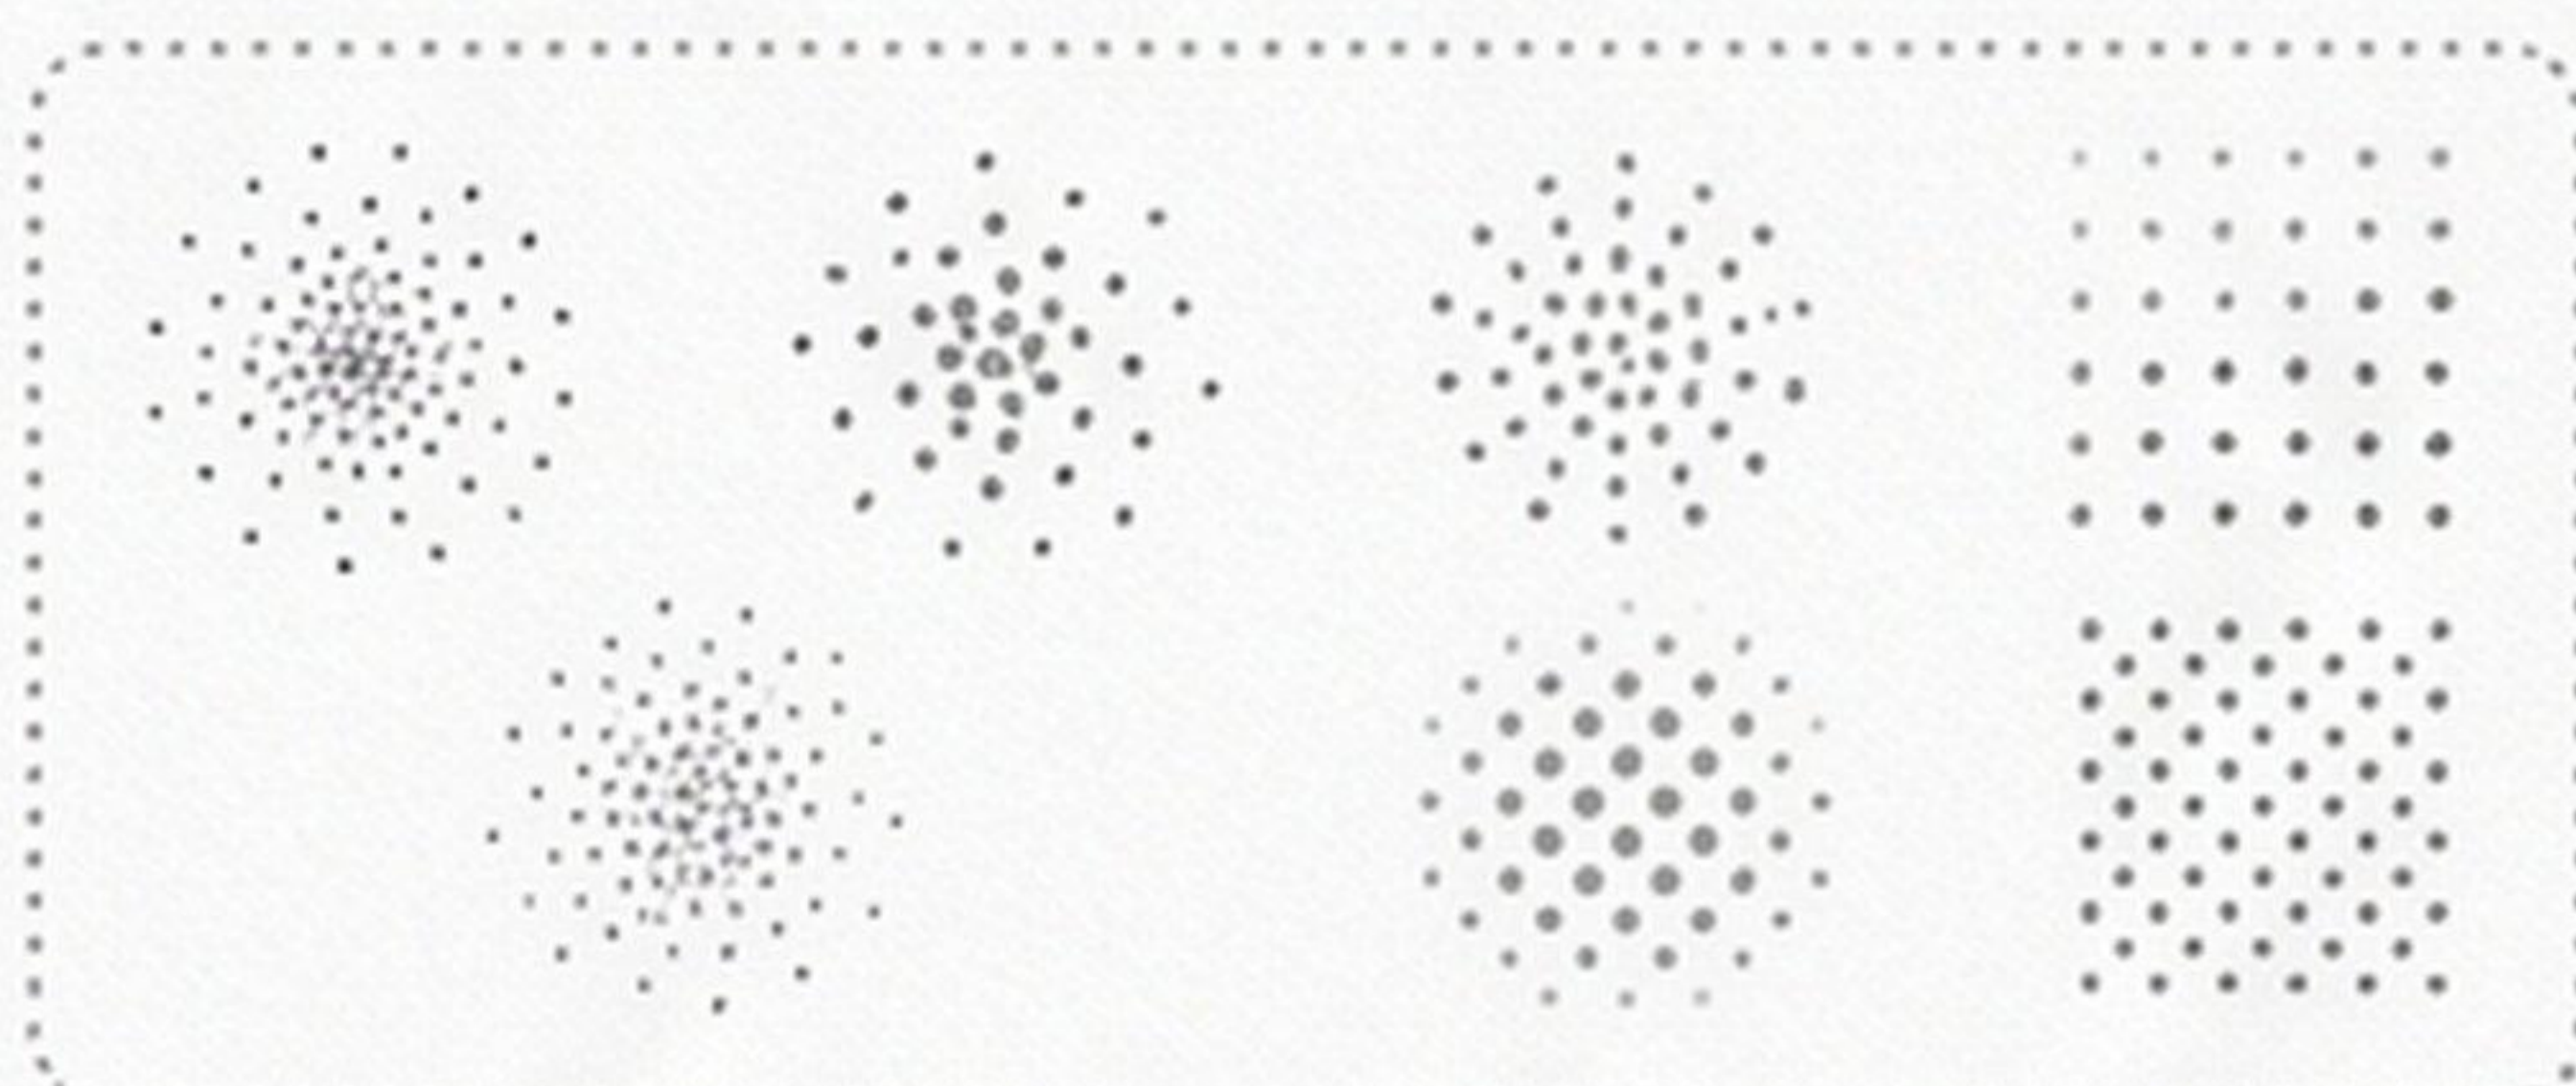

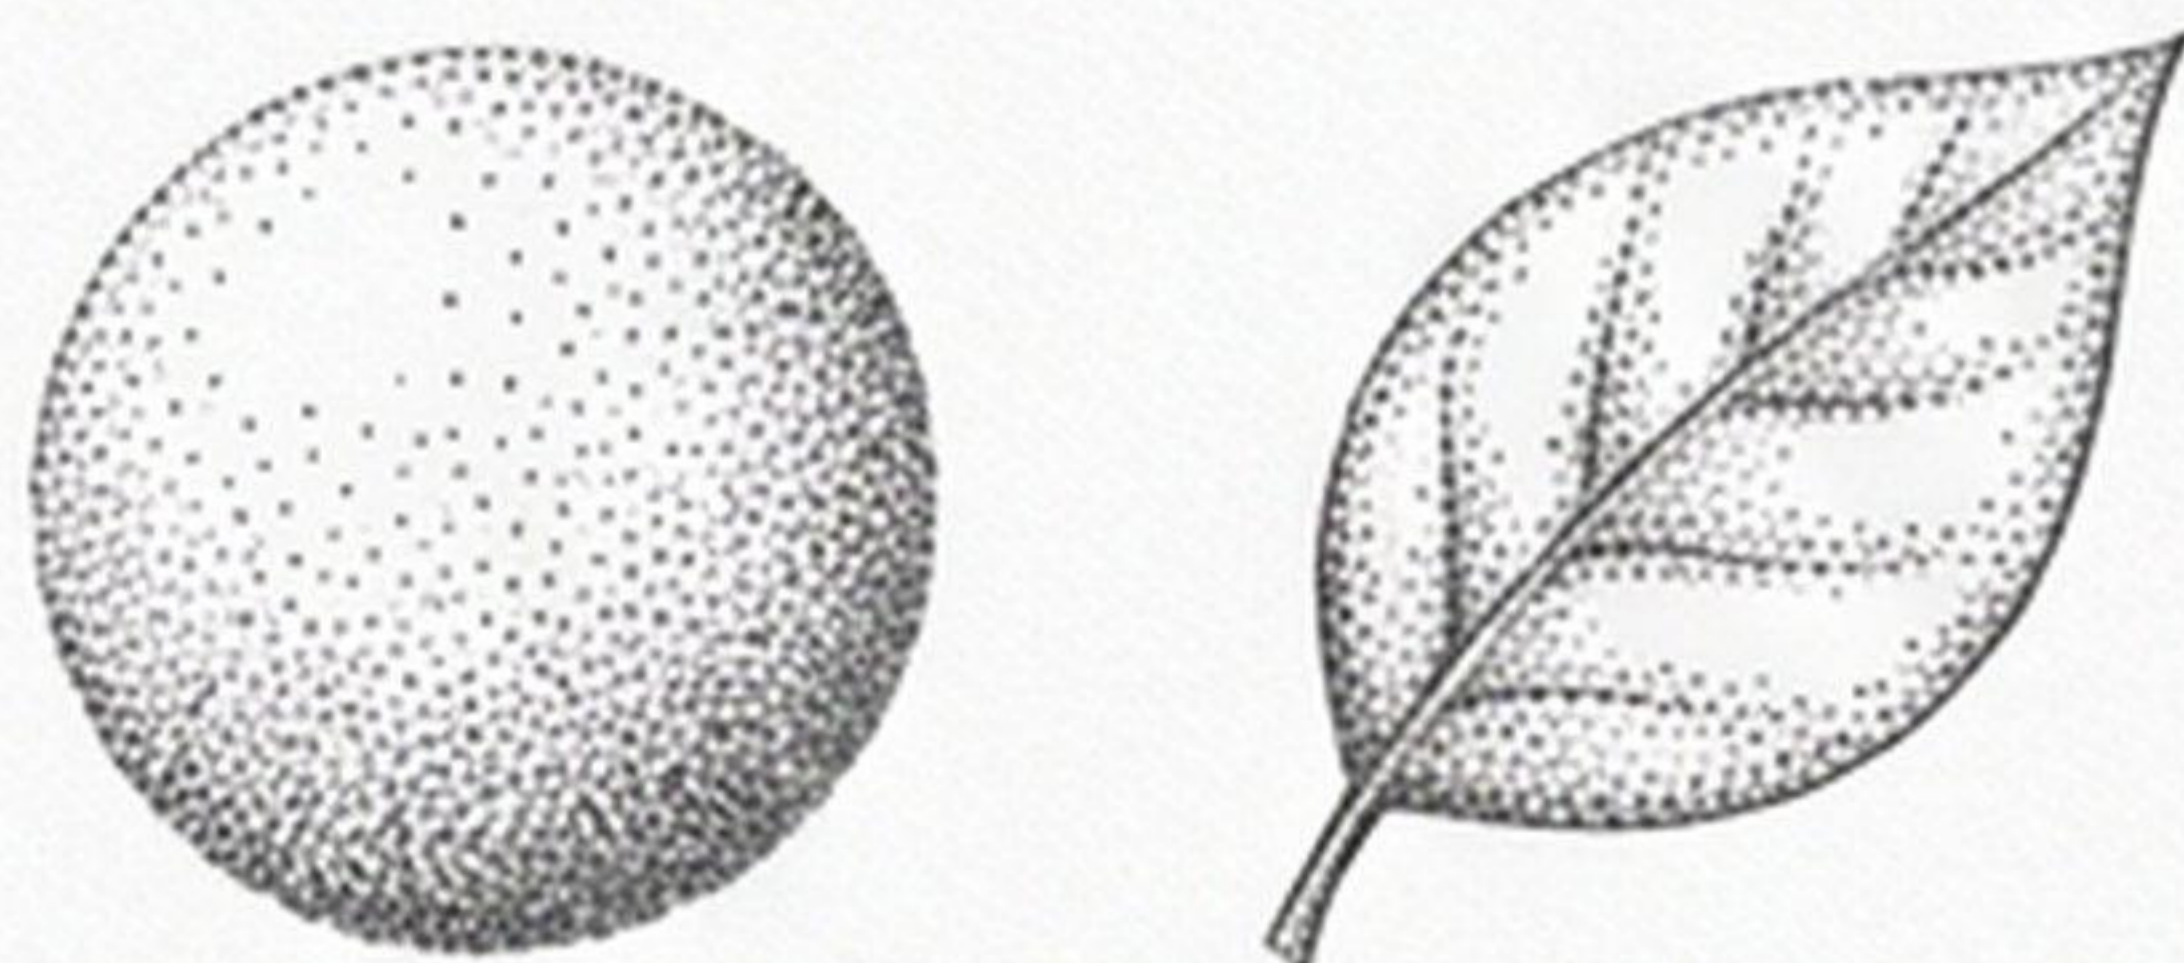

Create shading with parallel lines in one direction.

CROSS-HATCHING

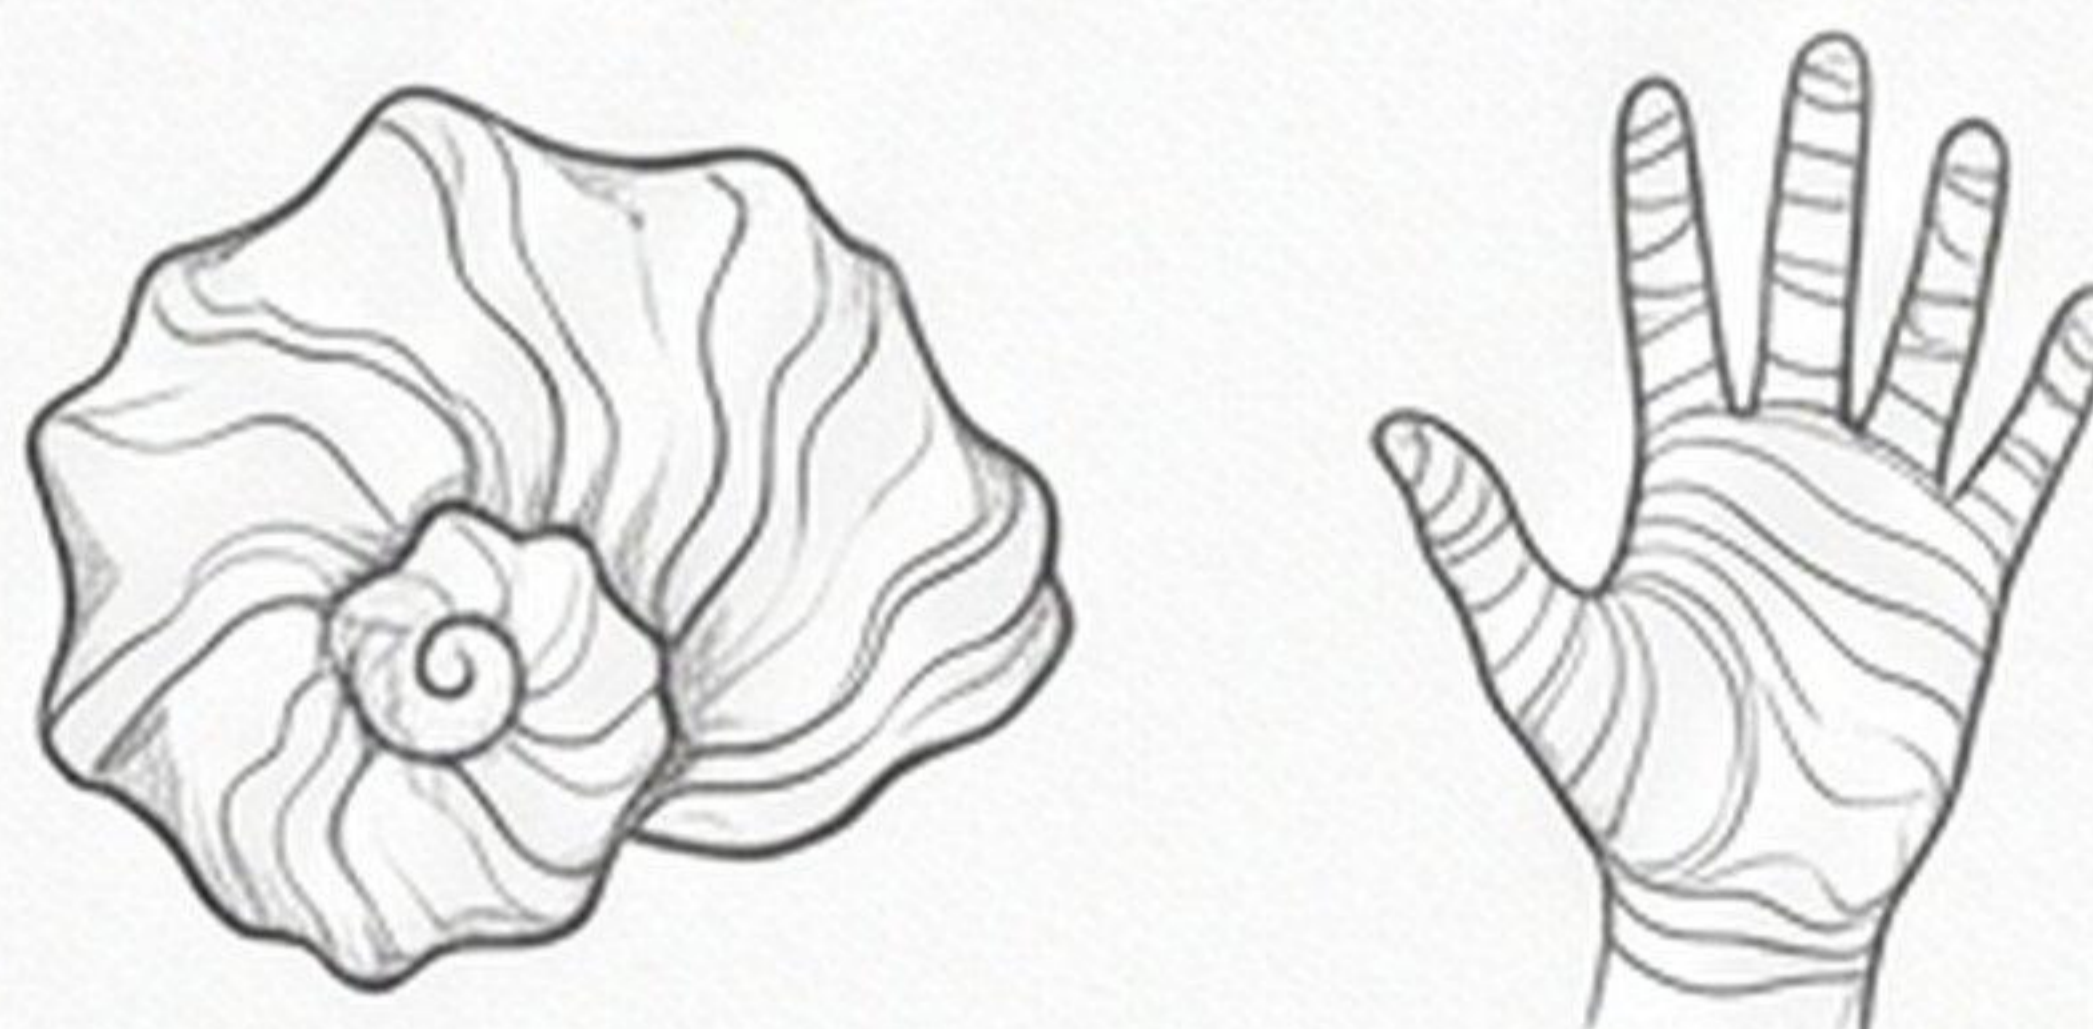

Layer intersecting parallel lines to deepen shadows.

STIPPLING

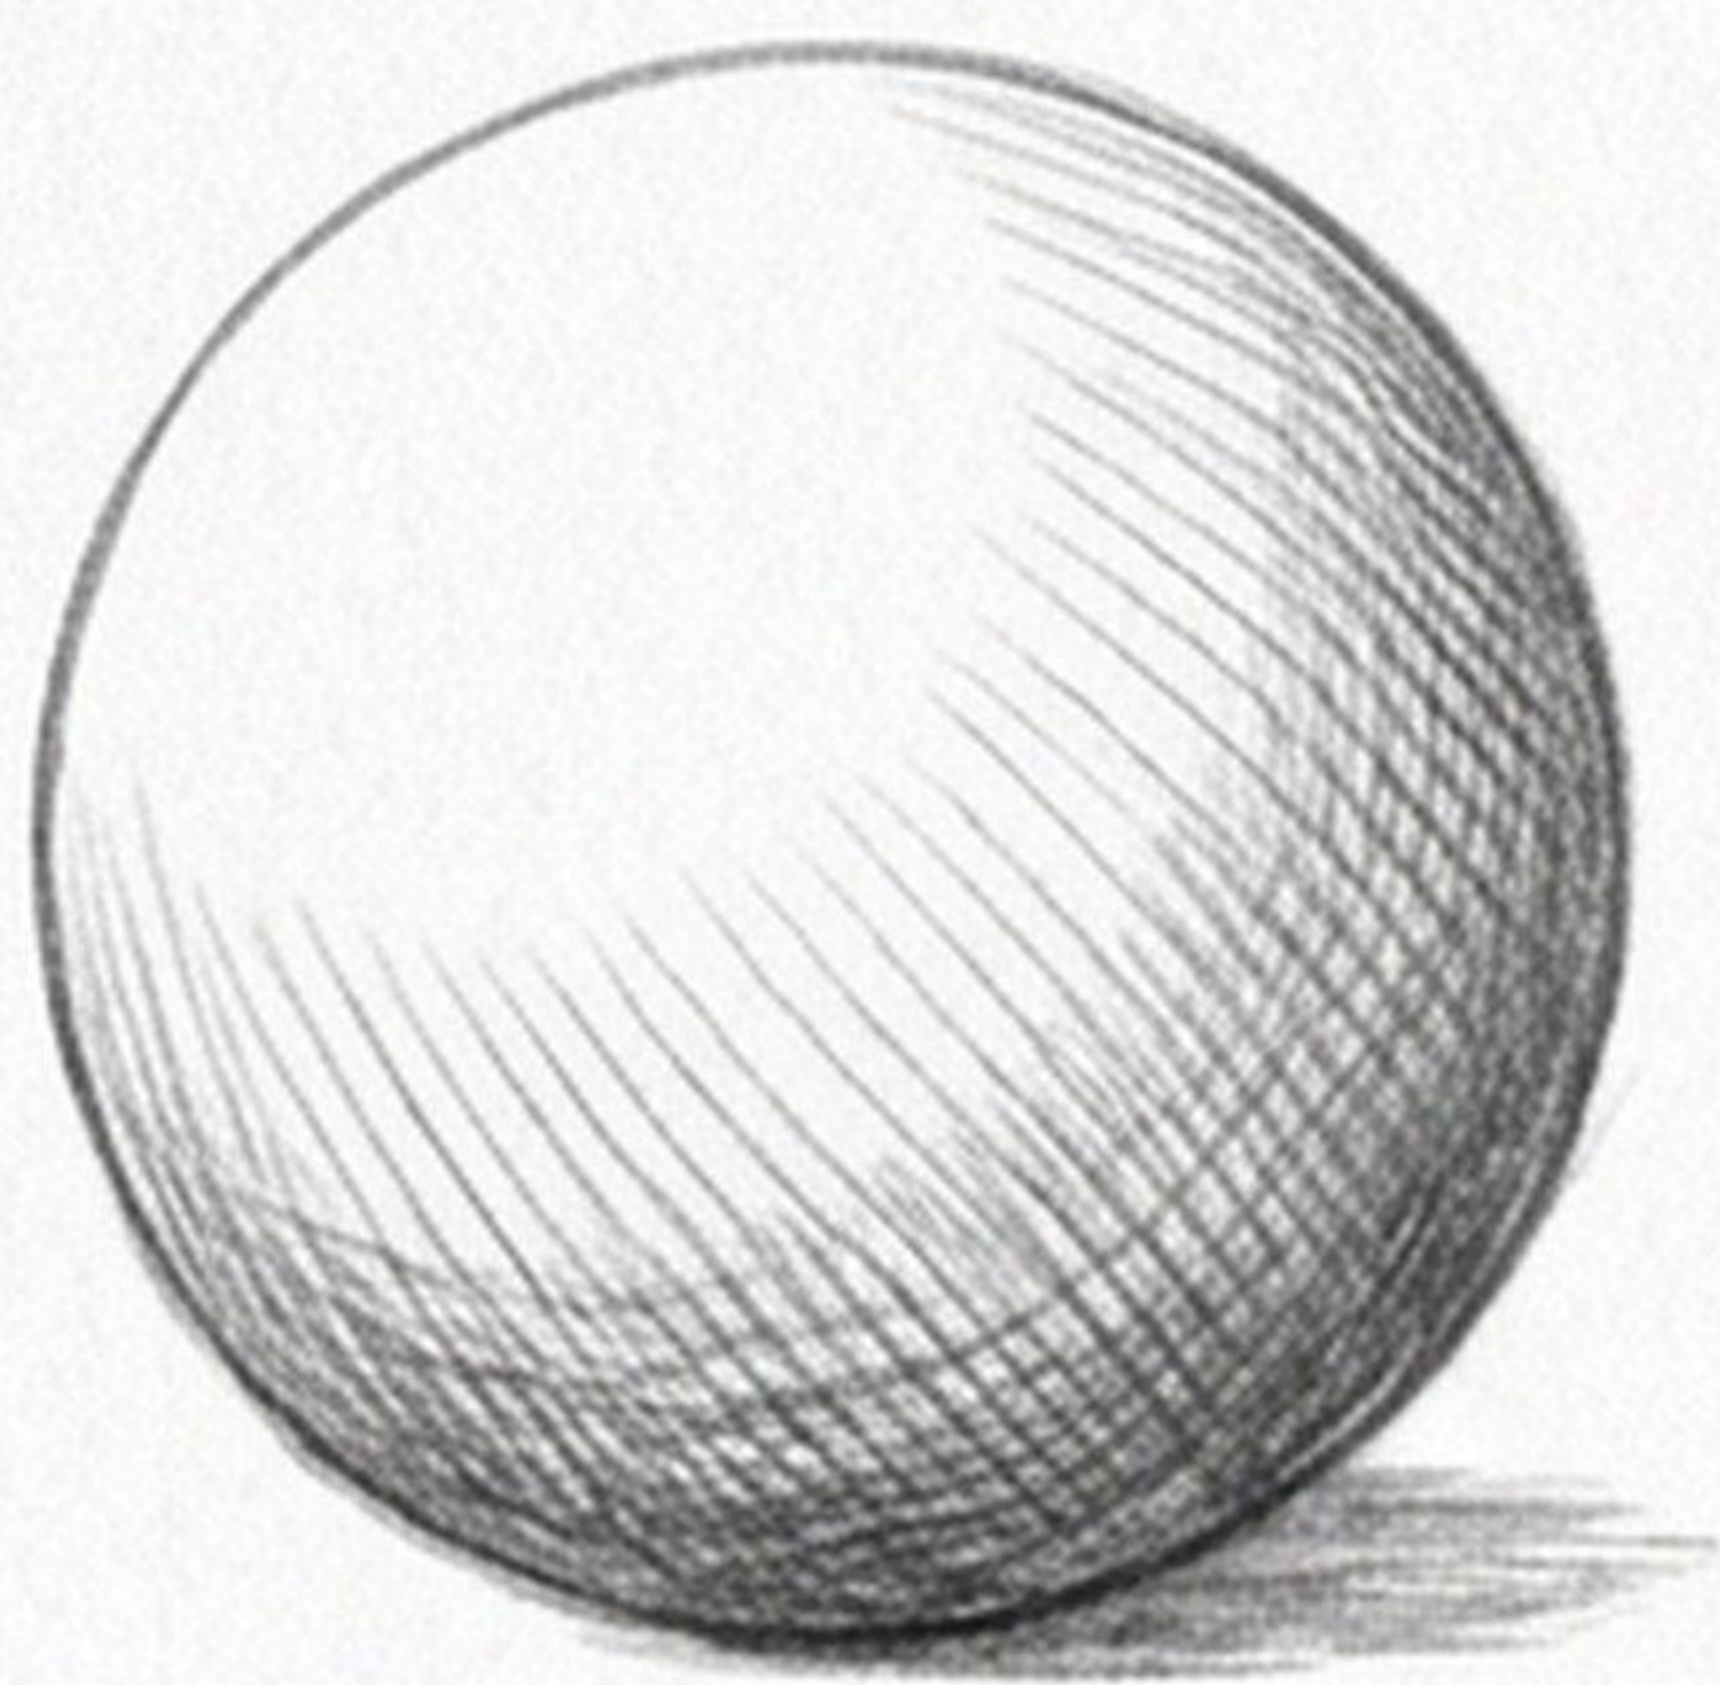

Build tone and texture using only small dots.

CONTOUR LINES

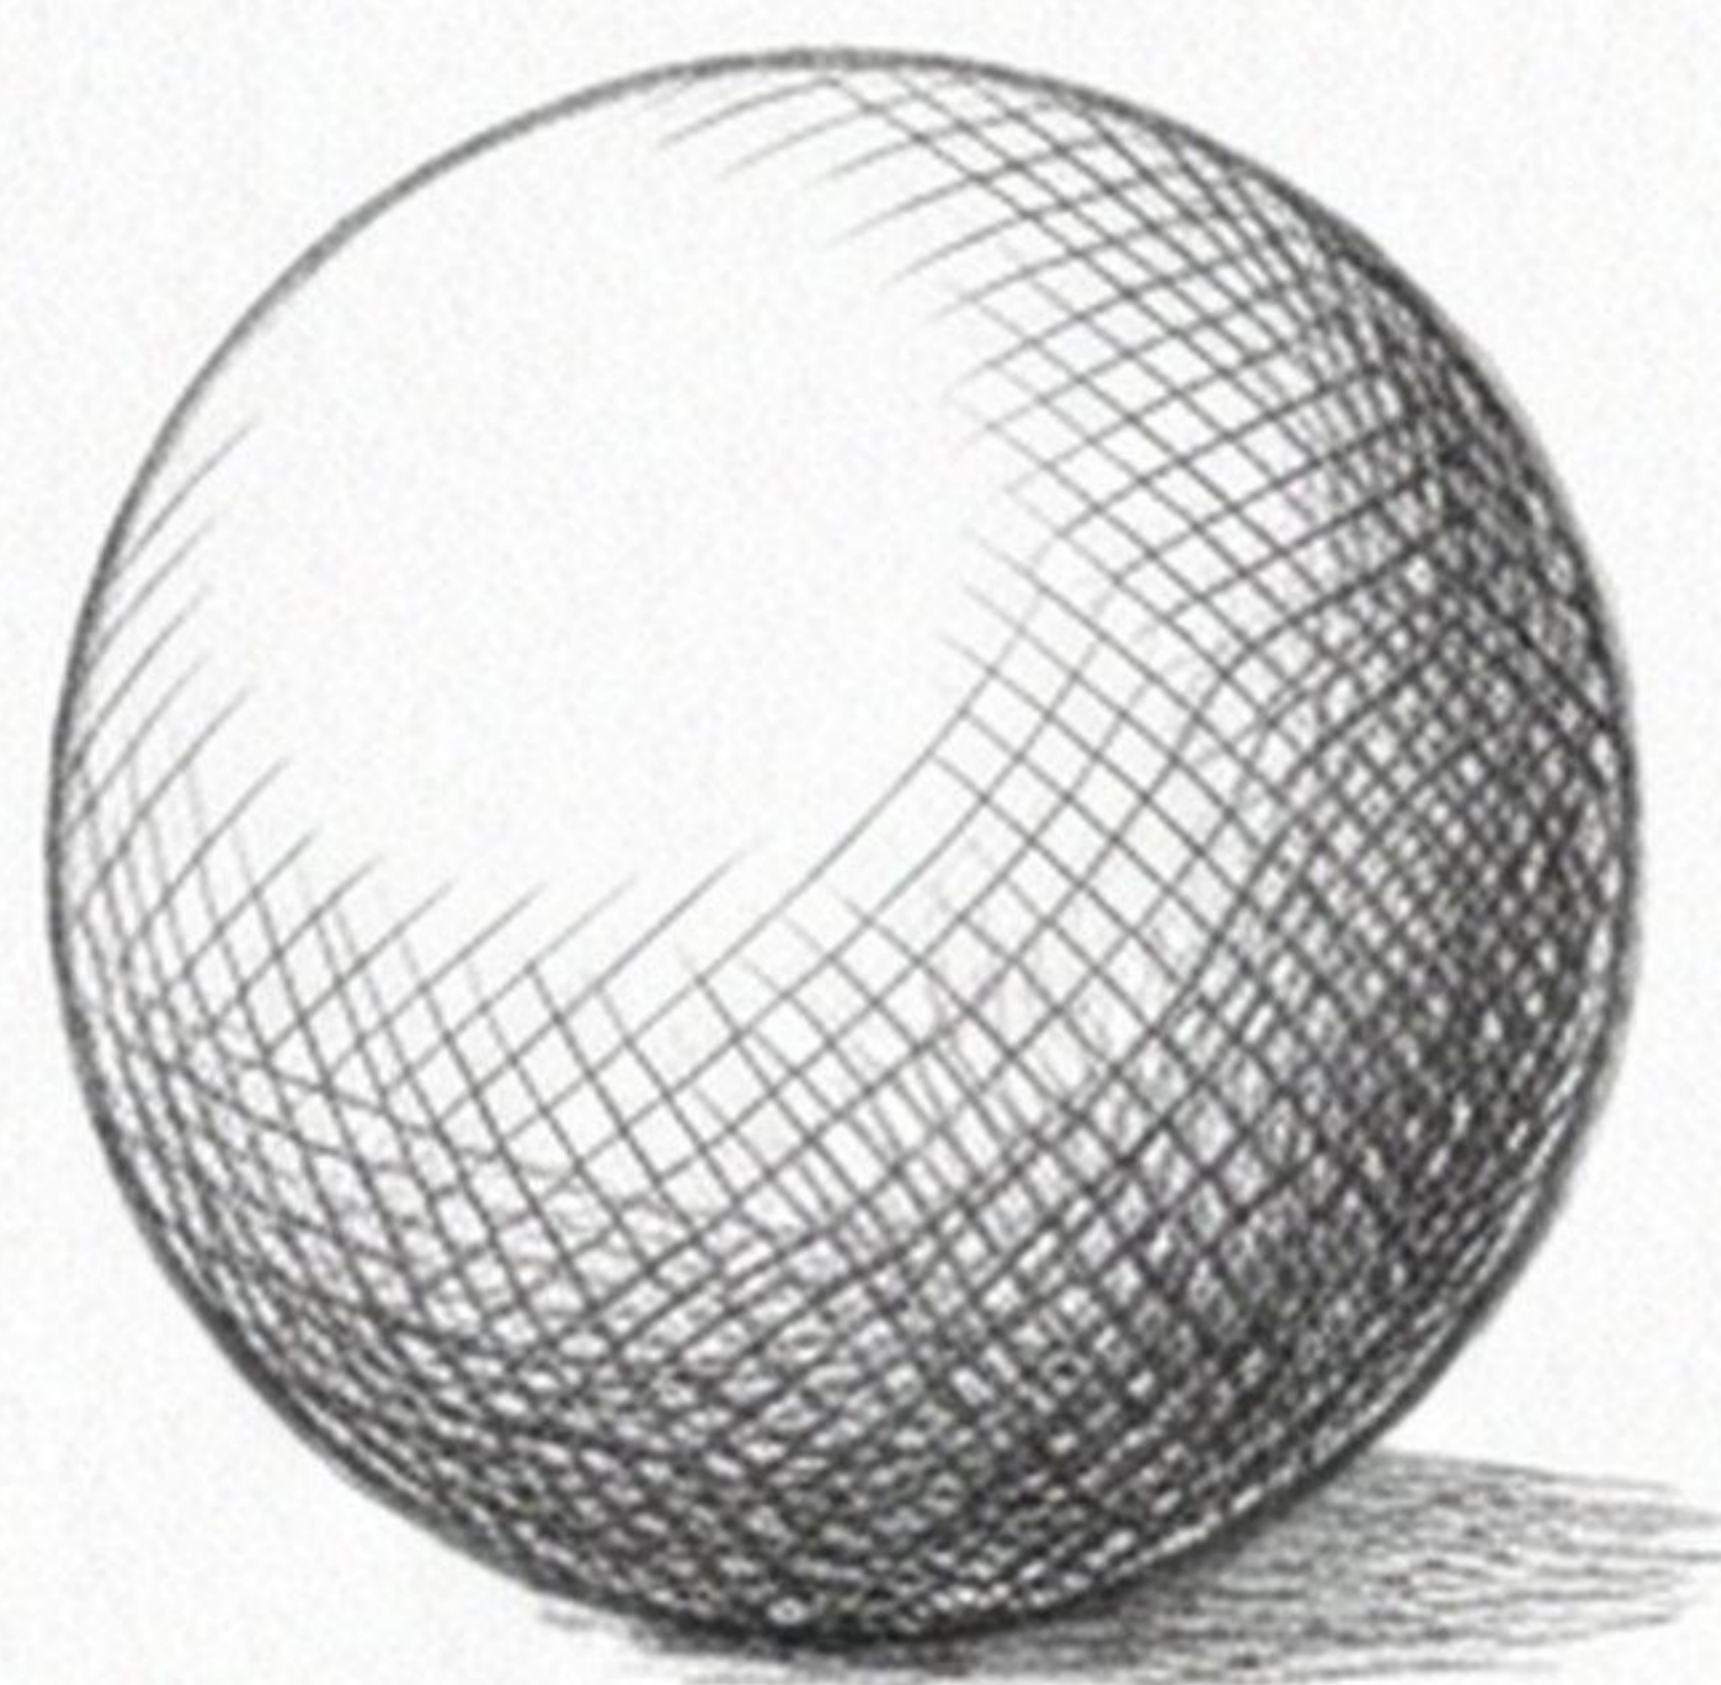

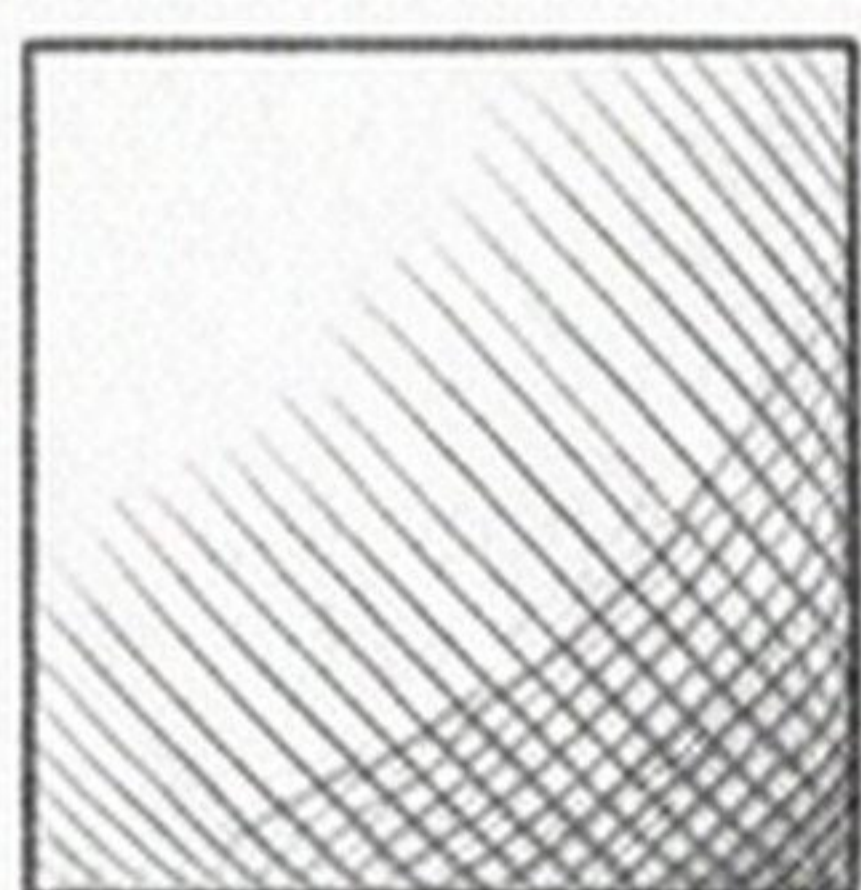

Draw lines that follow the surface form and edges of objects.

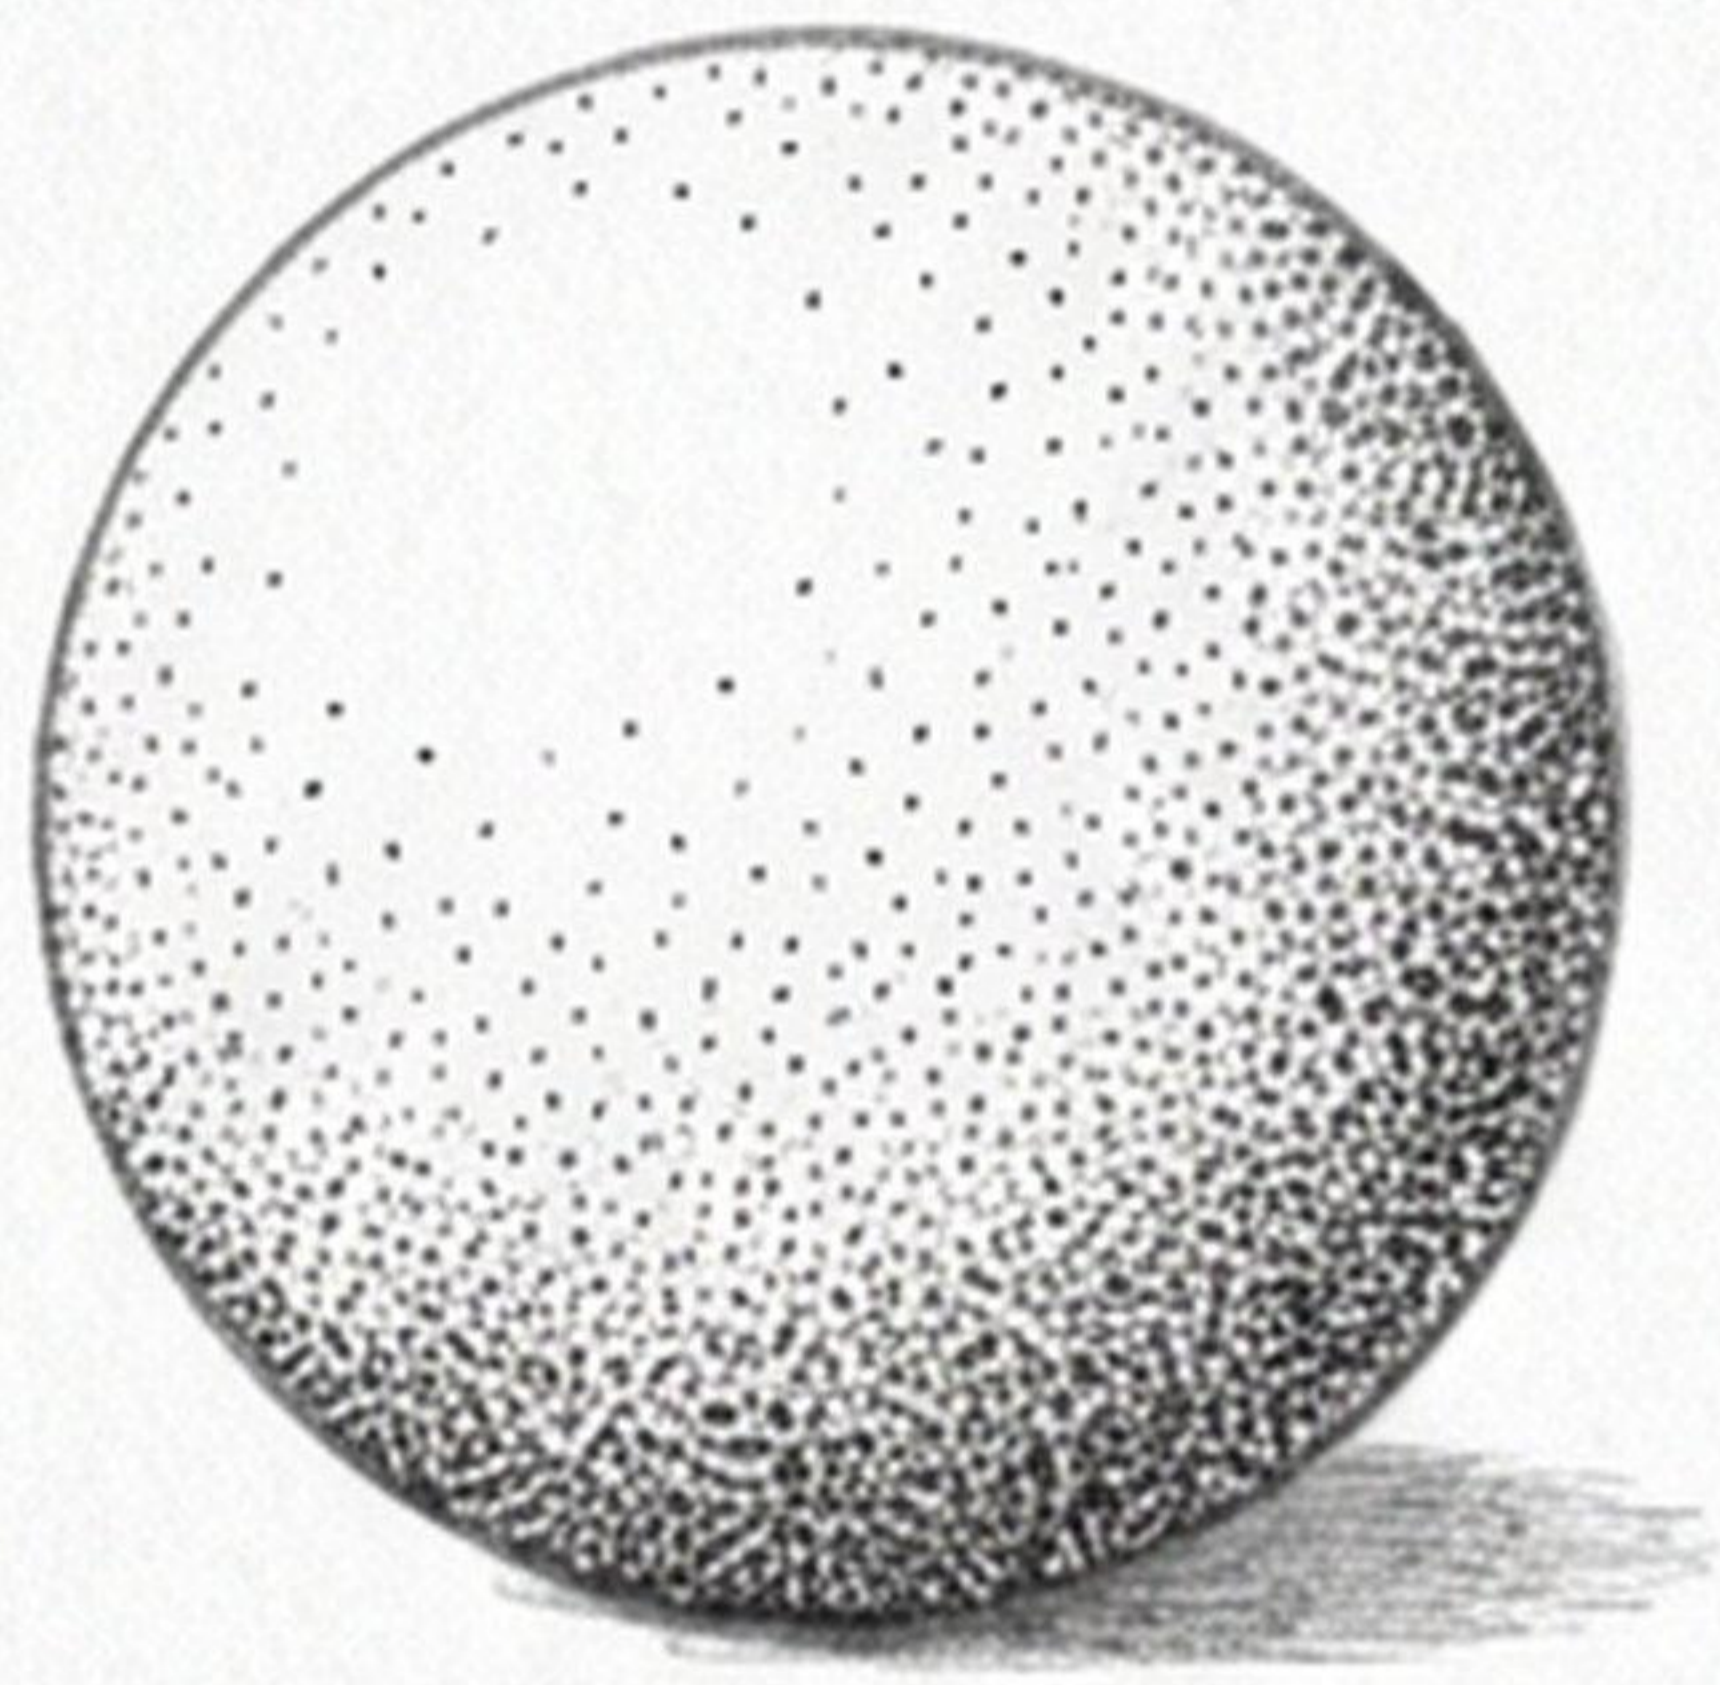

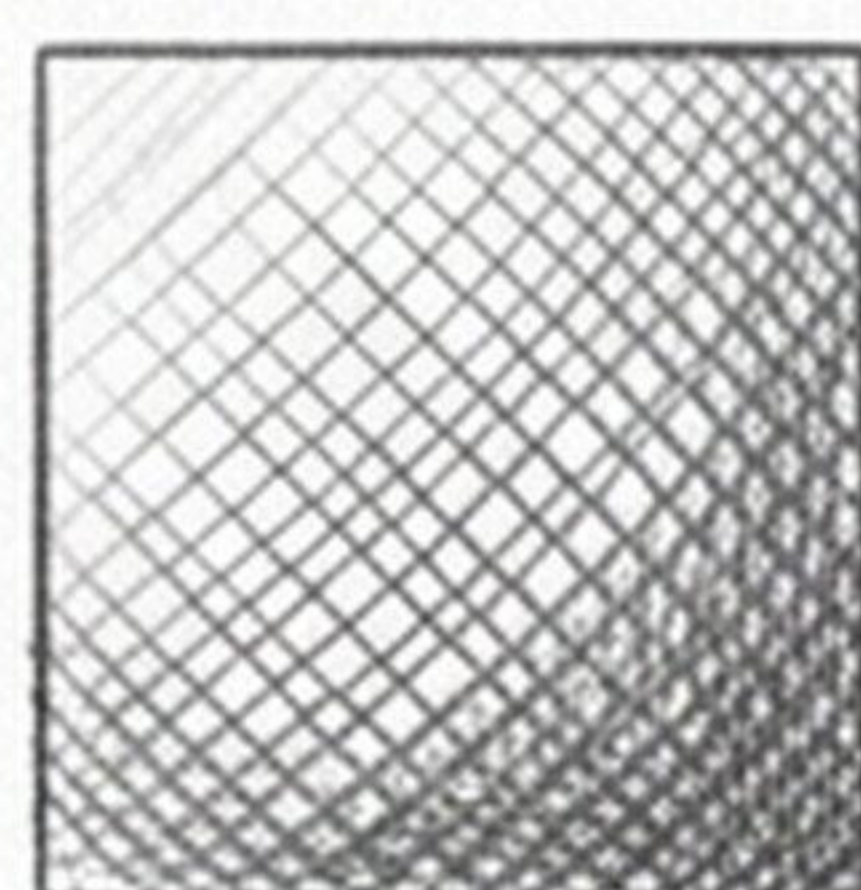

Shading Techniques for Beginners

Hatching

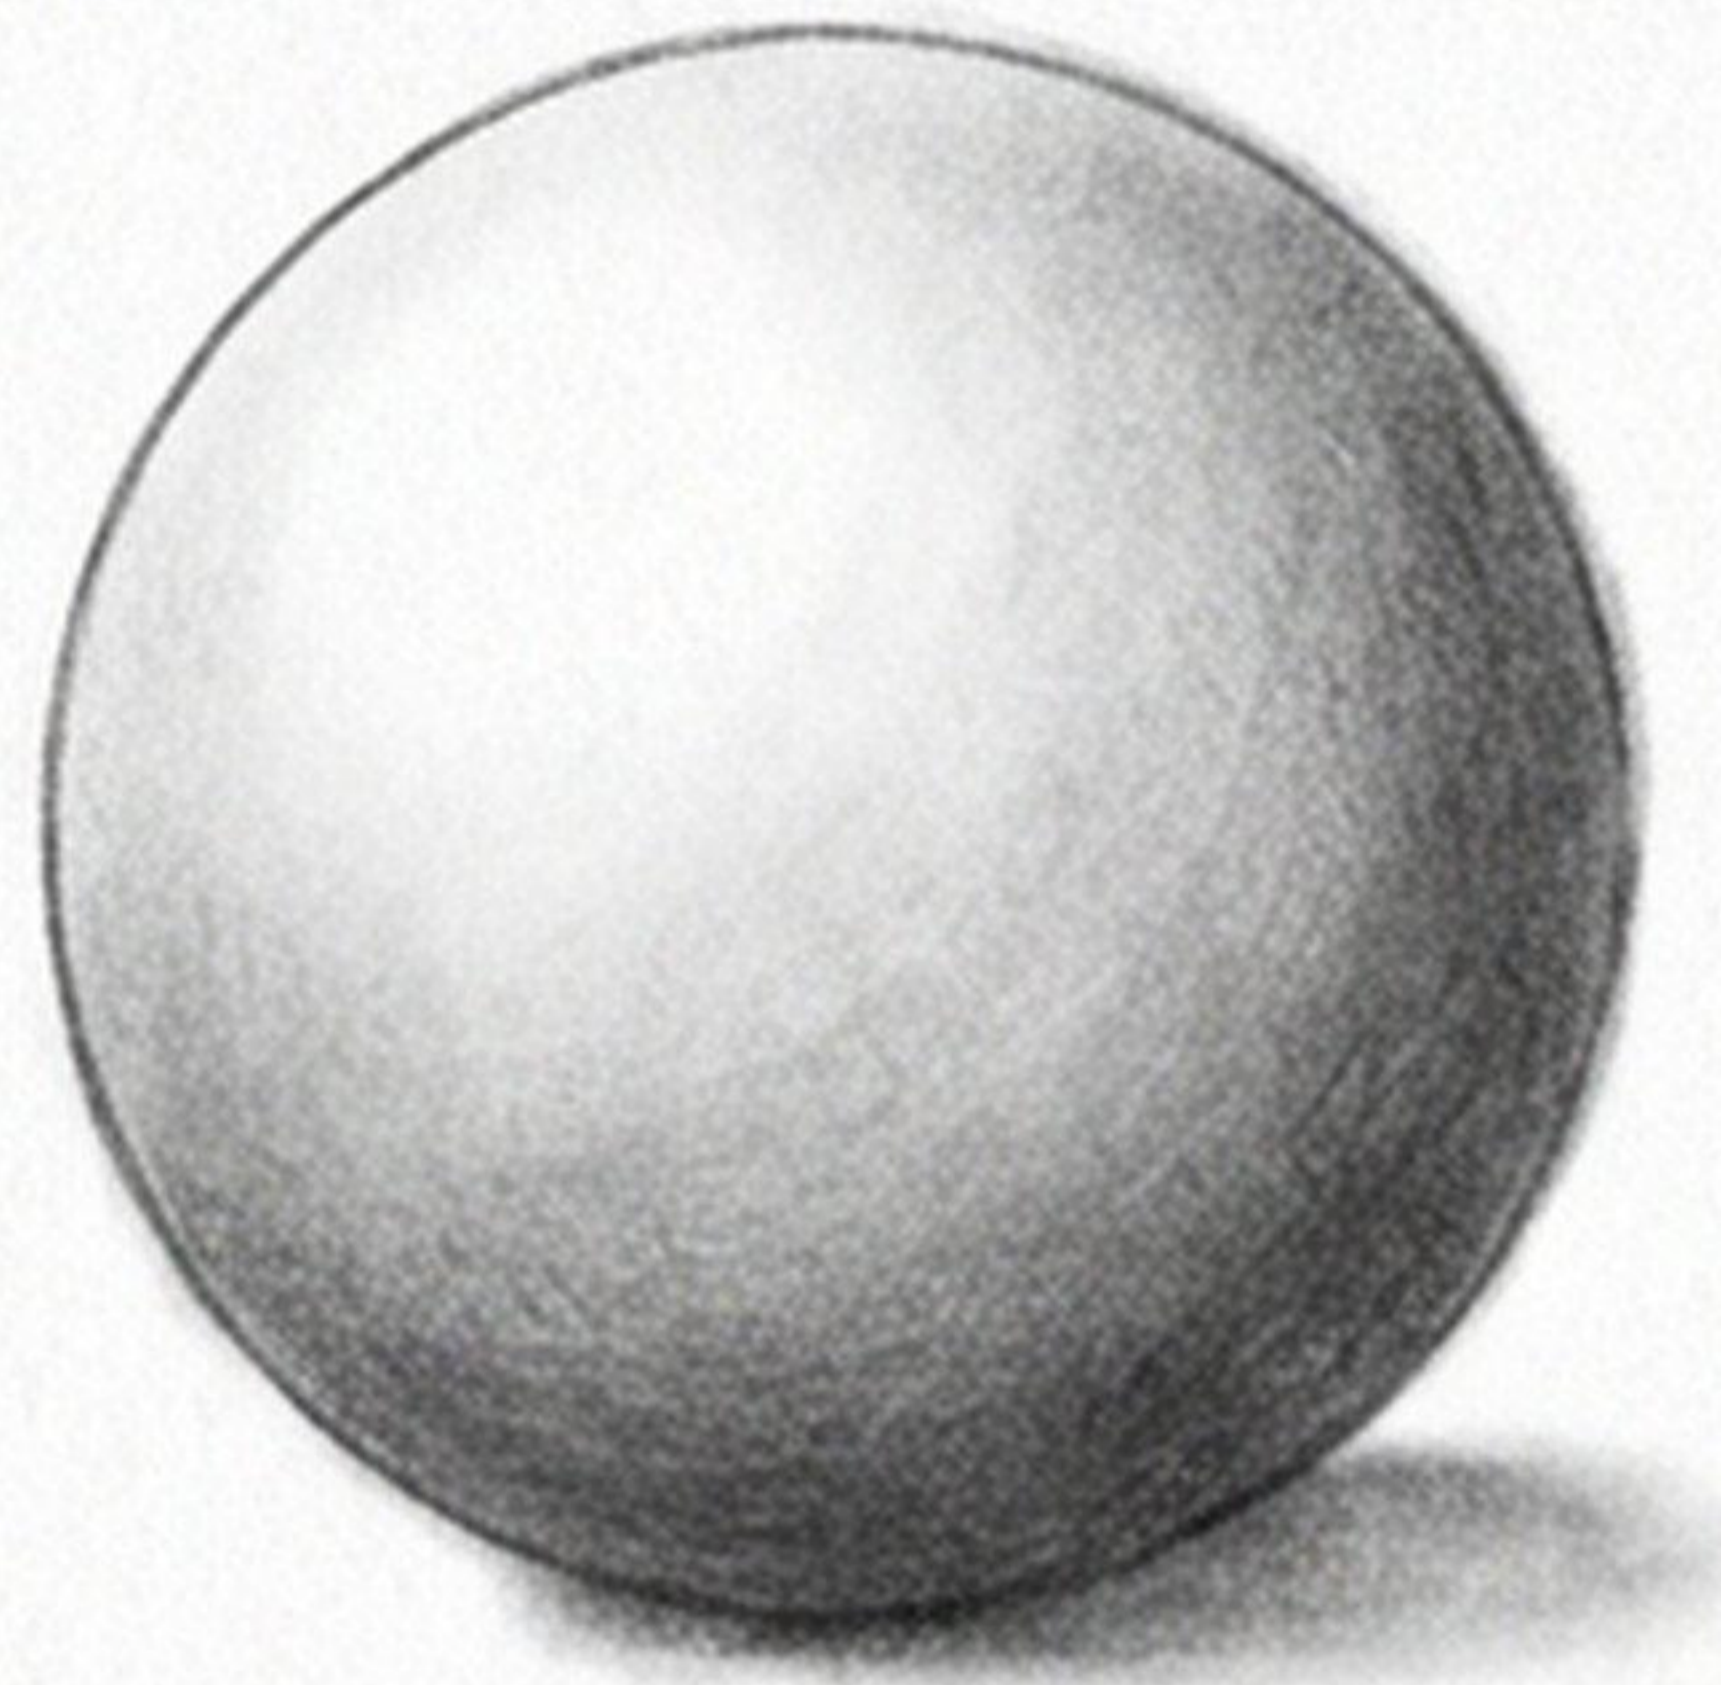

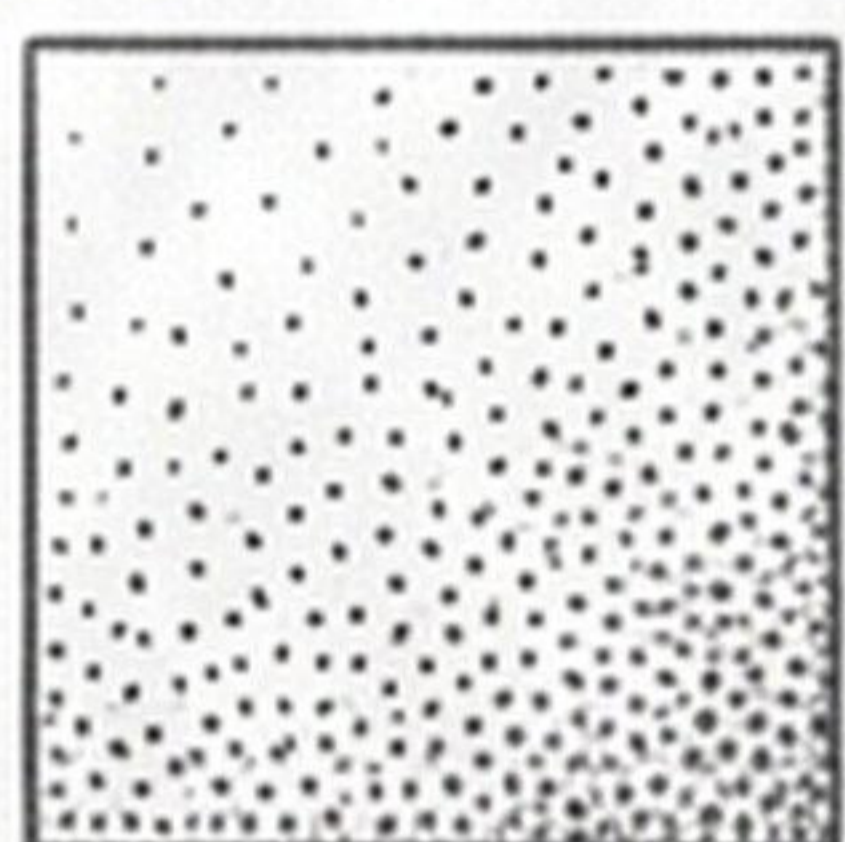

Cross-Hatching

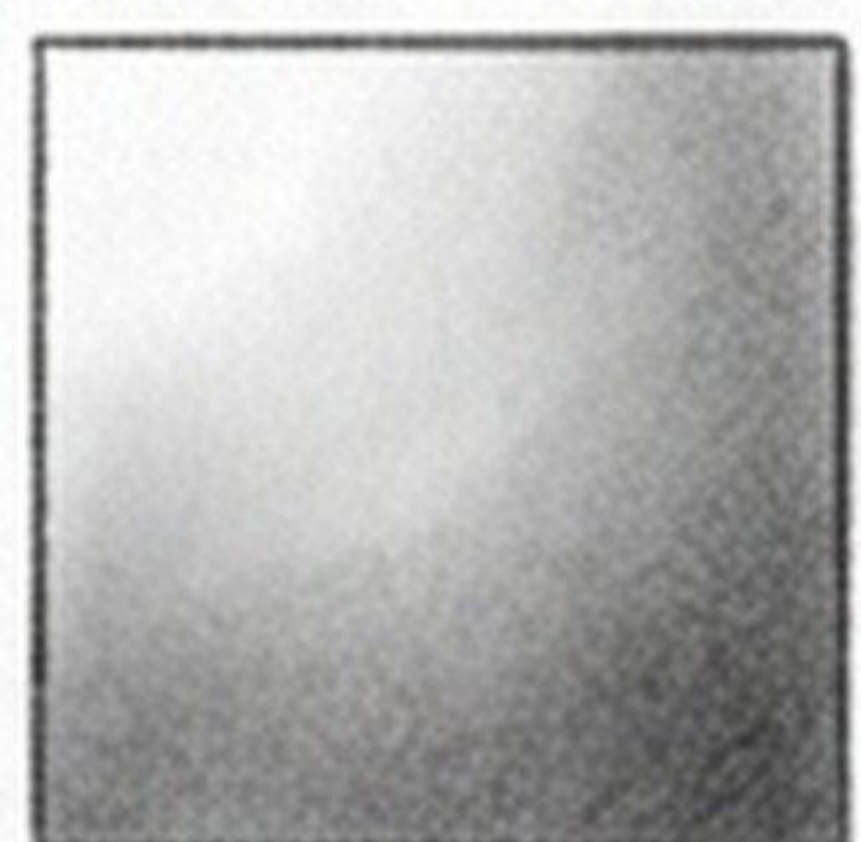

Stippling

Stippling

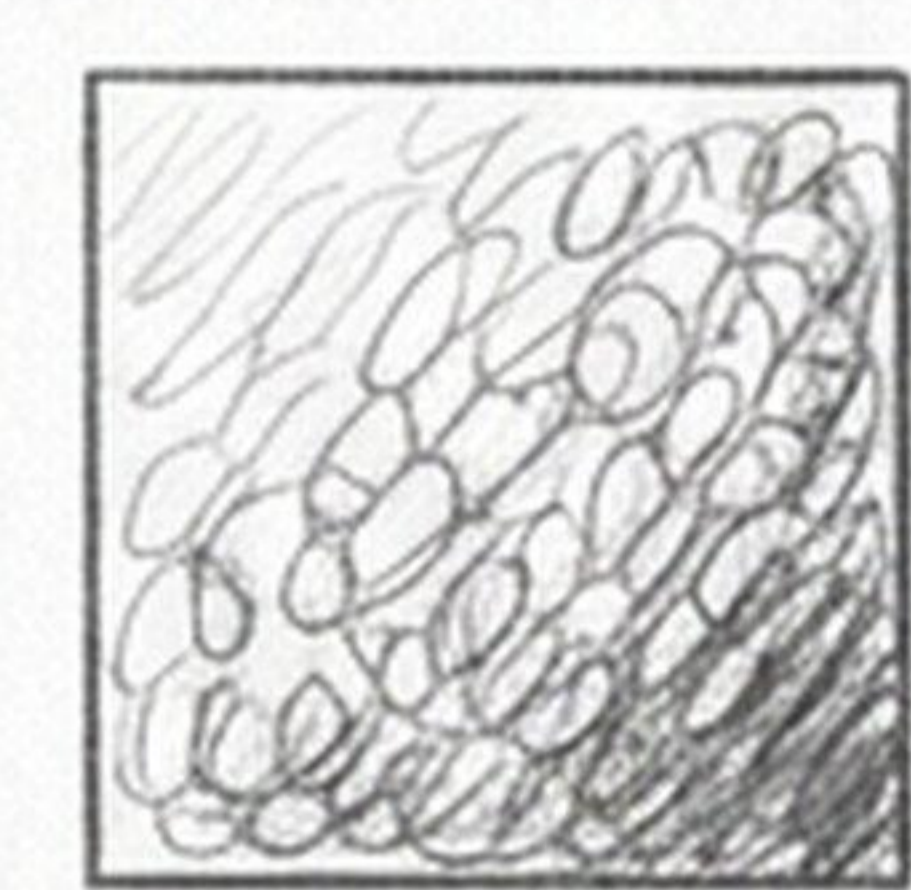

Blending

Blending

Scumbling

Value Scale (Light to Dark)
