CUT OUT WHEEL AND POINTER, ATTACH
WITH BRAD BRAD TO SPIN

Interactive Sketchbook Prompts

Draw something behind a fold-out door

Create a before/after flip page

Make a pocket to hide a secret message

Draw a scene that continues onto a fold-out

Create a window that frames your favorite drawing

More Creative Prompts

Design a mini accordion book of memories

Create a lift-the-flap nature guide

Make a pocket page travel journal entry

Draw emotions hidden under flip tabs

Create a surprise reveal birthday card

Pro Tips for Interactive Pages

Use cardstock for fold-outs that won't tear

Score fold lines with a bone folder for crisp folds

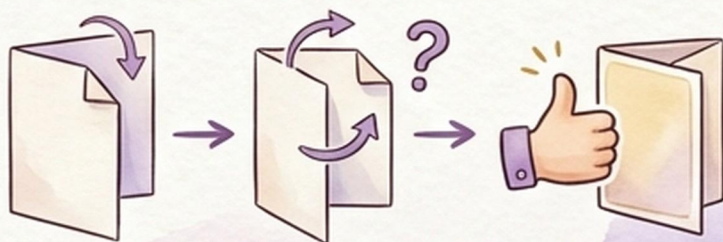

Leave a glue tab when attaching to pages

Washi tape hides messy edges beautifully

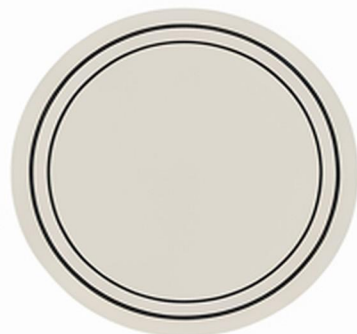

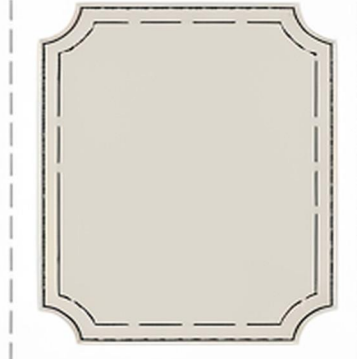

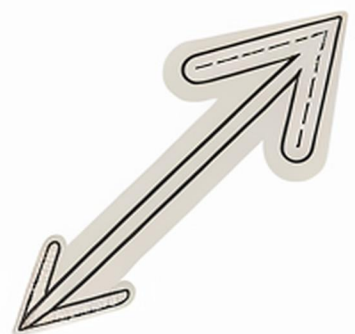

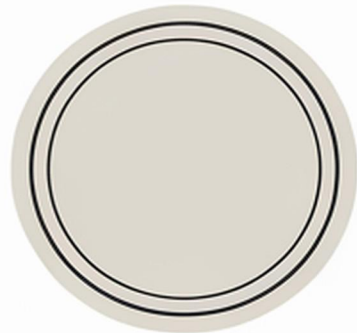

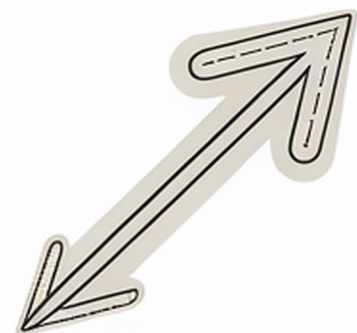

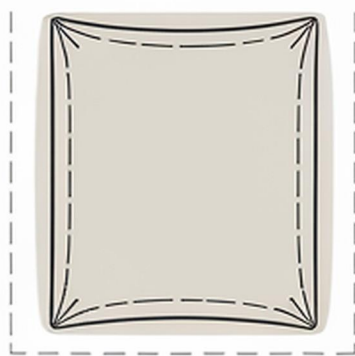

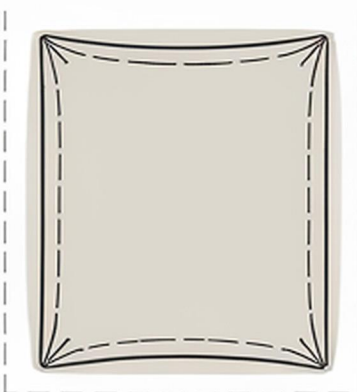

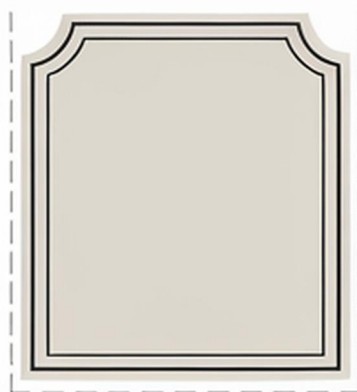

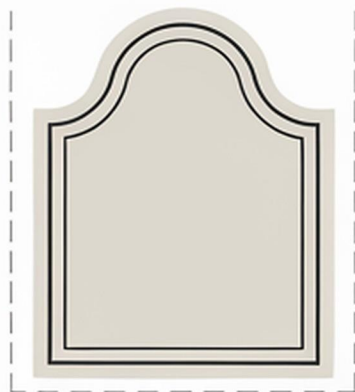

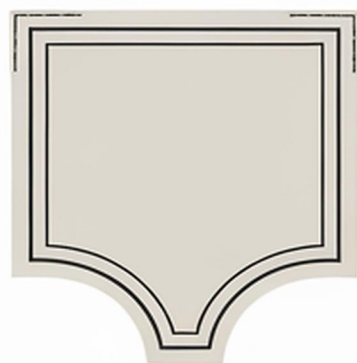

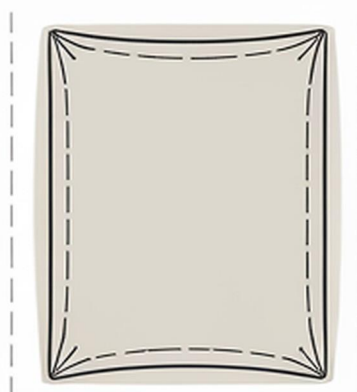

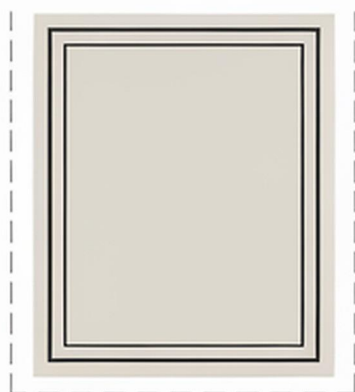

Test your folds before committing to glue

PAGE TABS

Cut out and fold over page edges for easy navigation
