30+ Designs to Trace & Create

The page features decorative watercolor splashes in shades of red, orange, and purple in the four corners. The main title is centered at the top in a large, black, serif font.

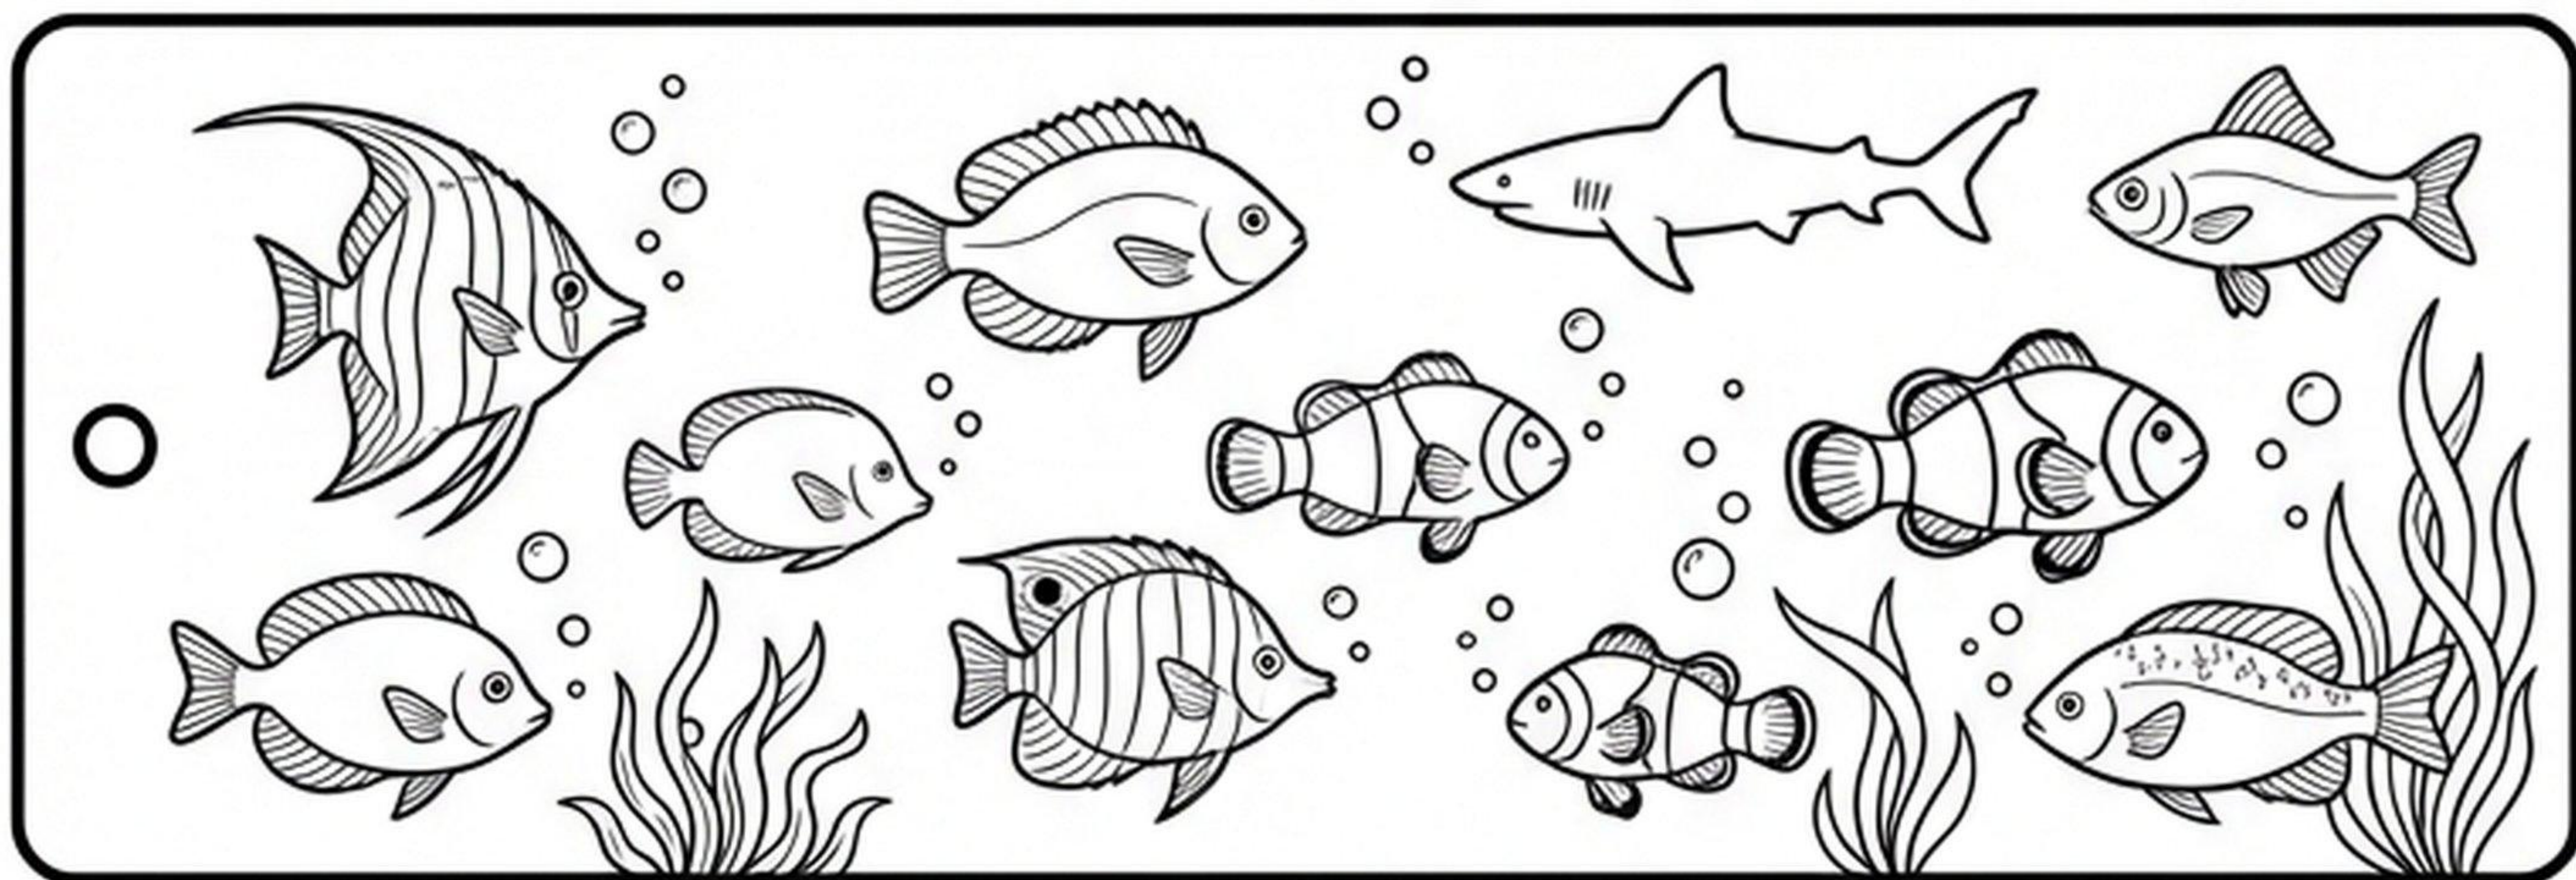

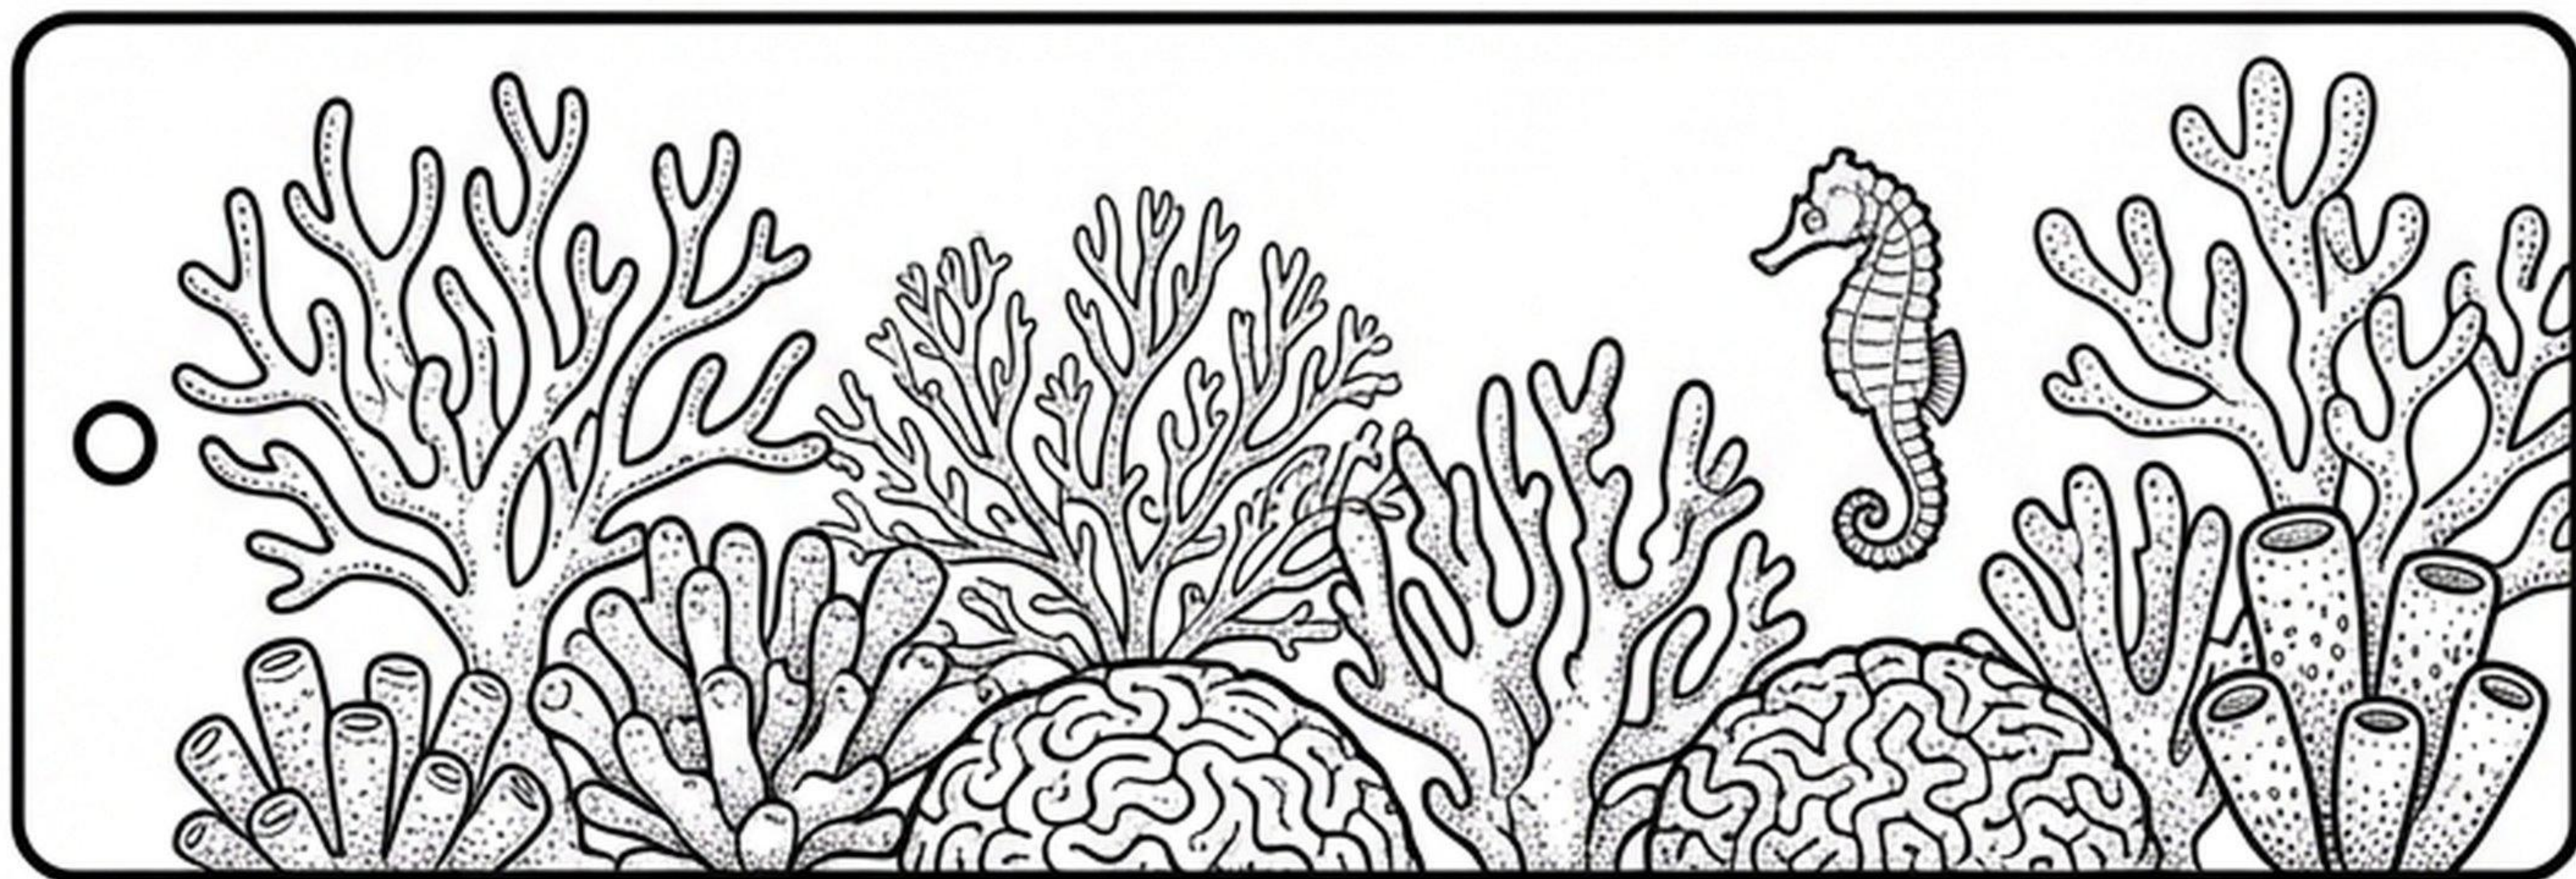

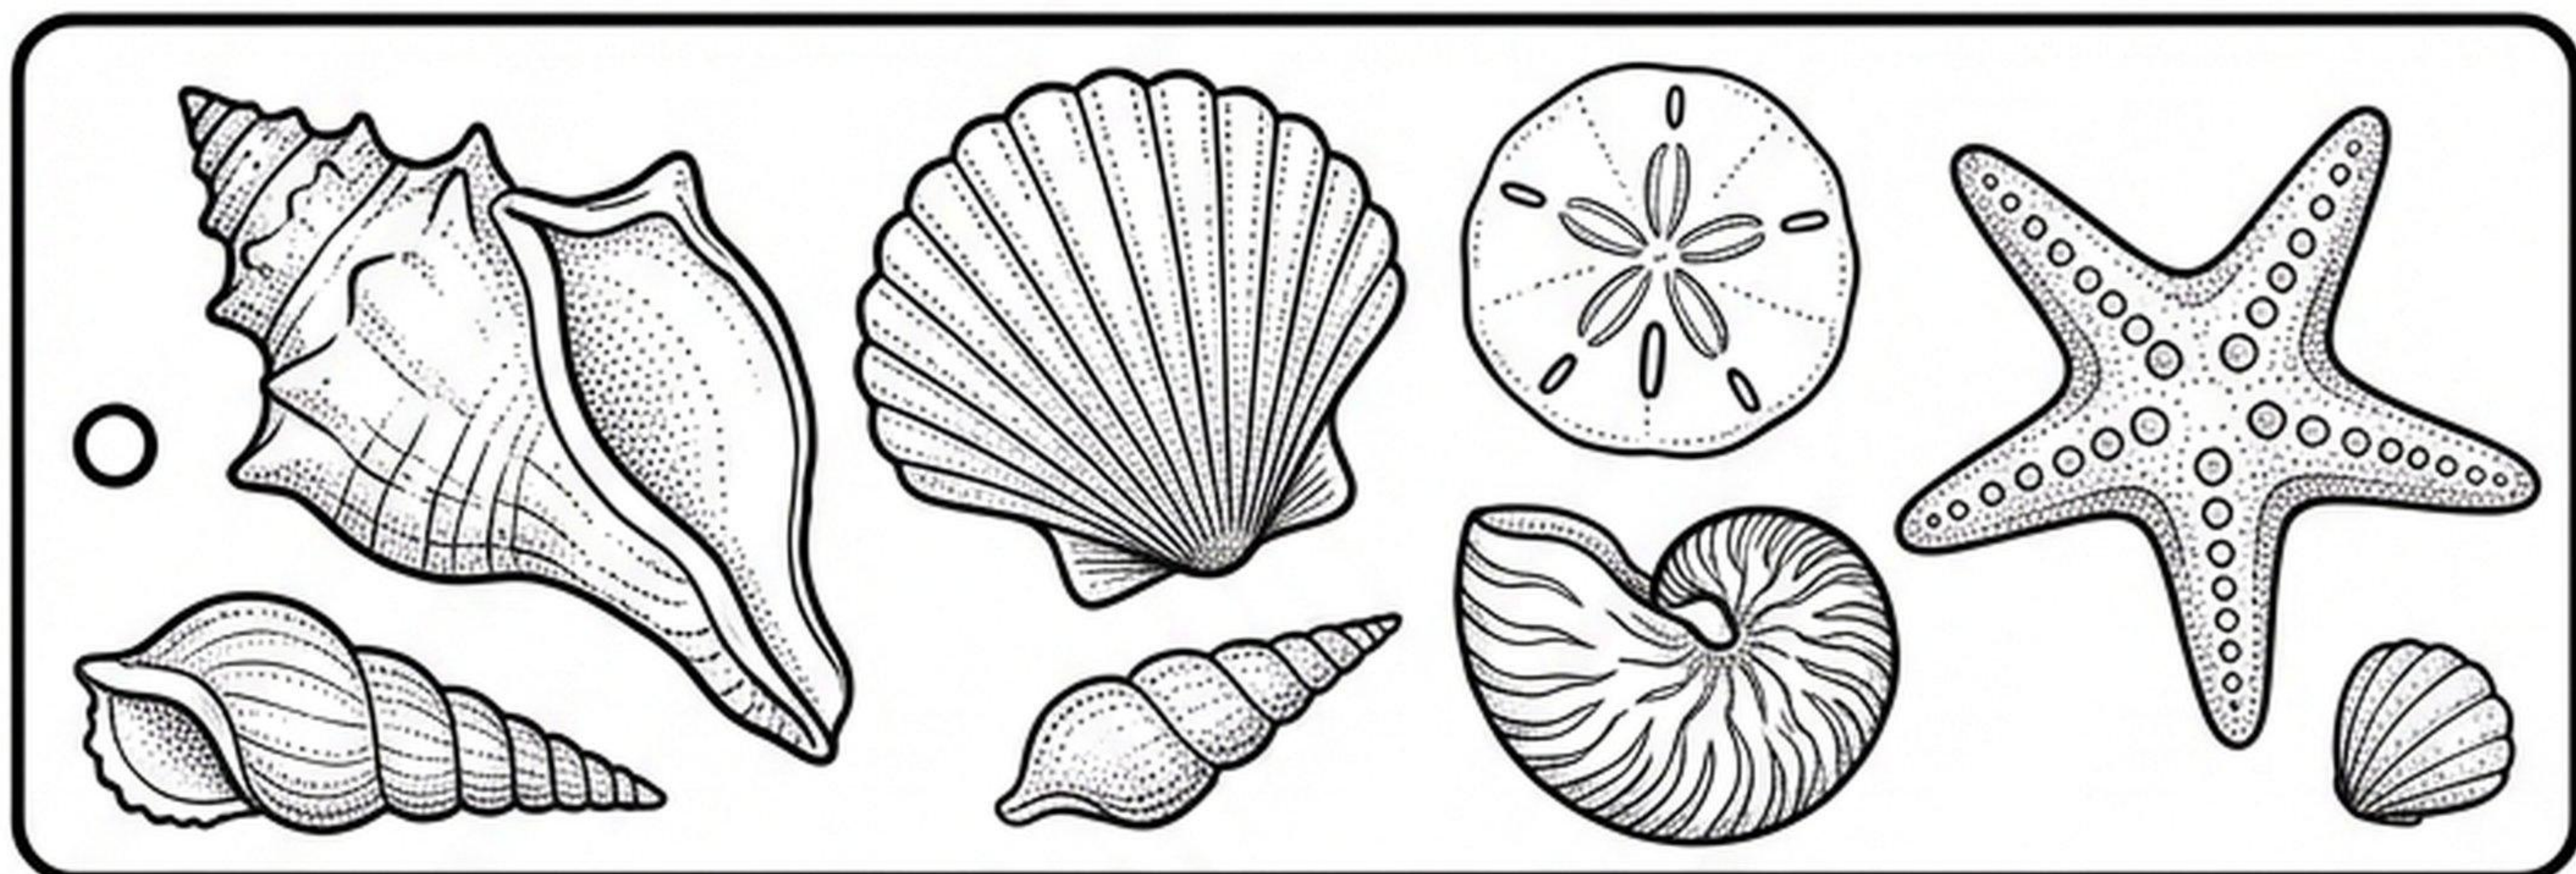

How to Use These Designs

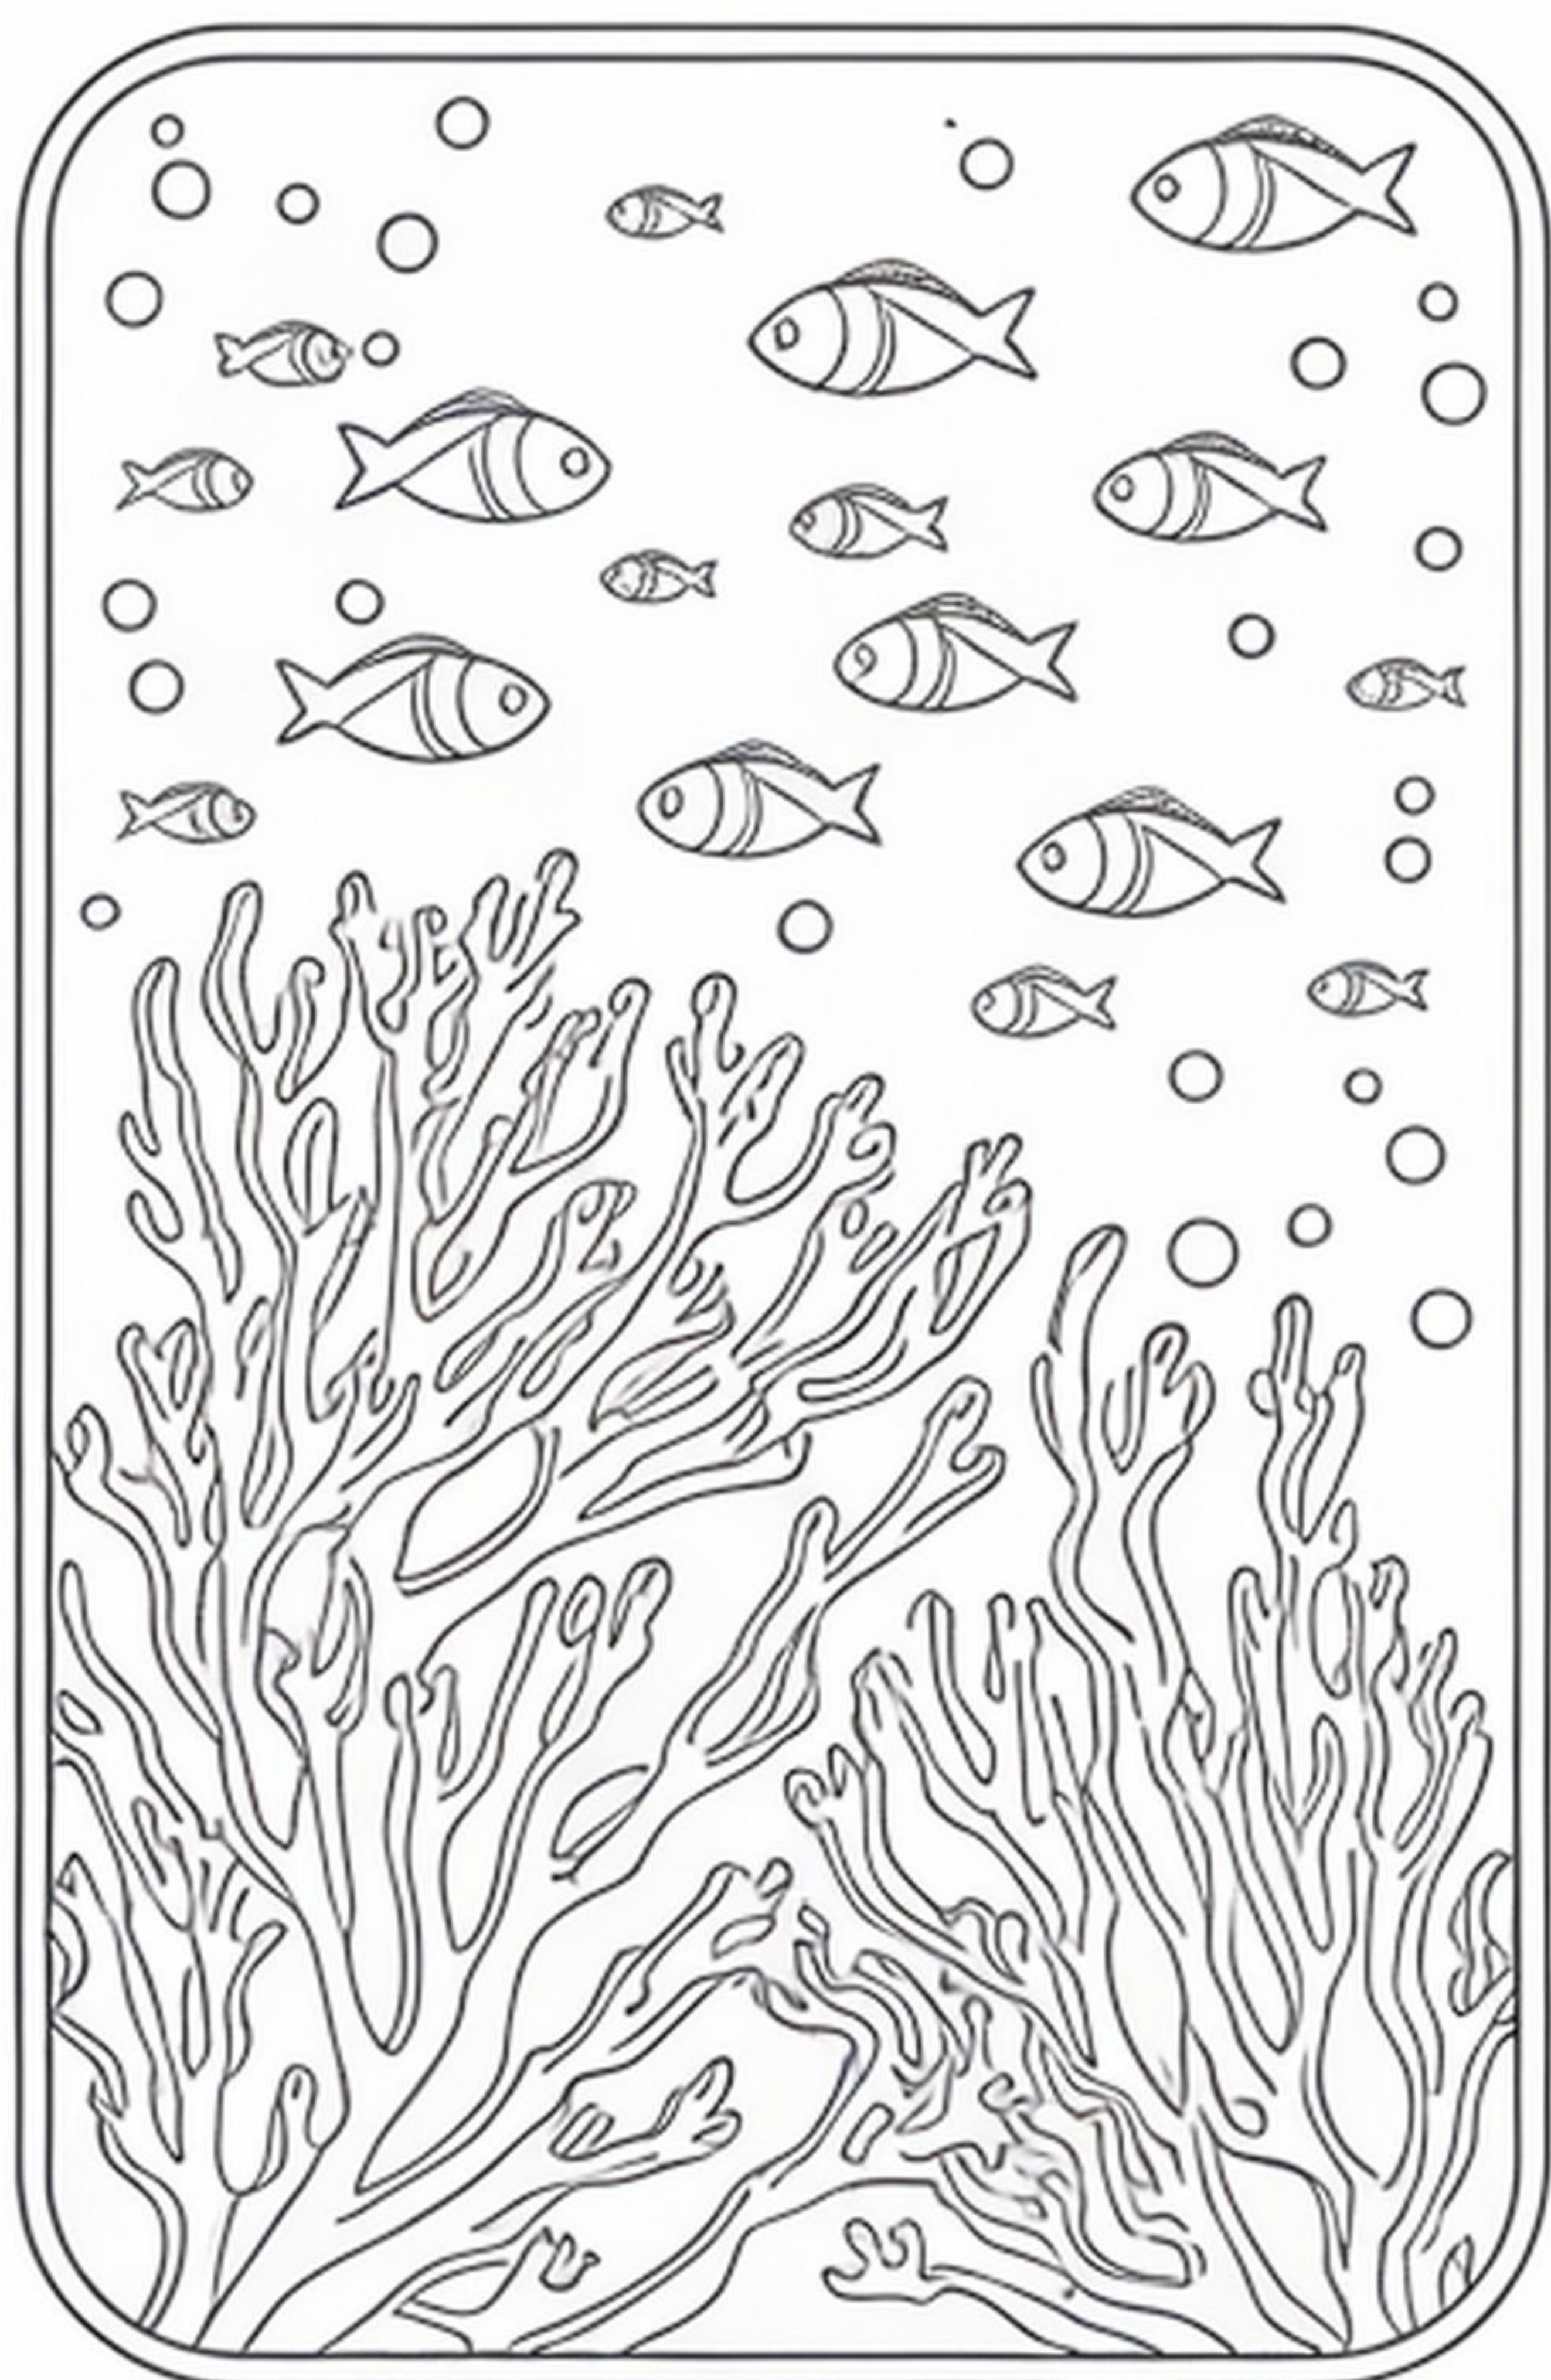

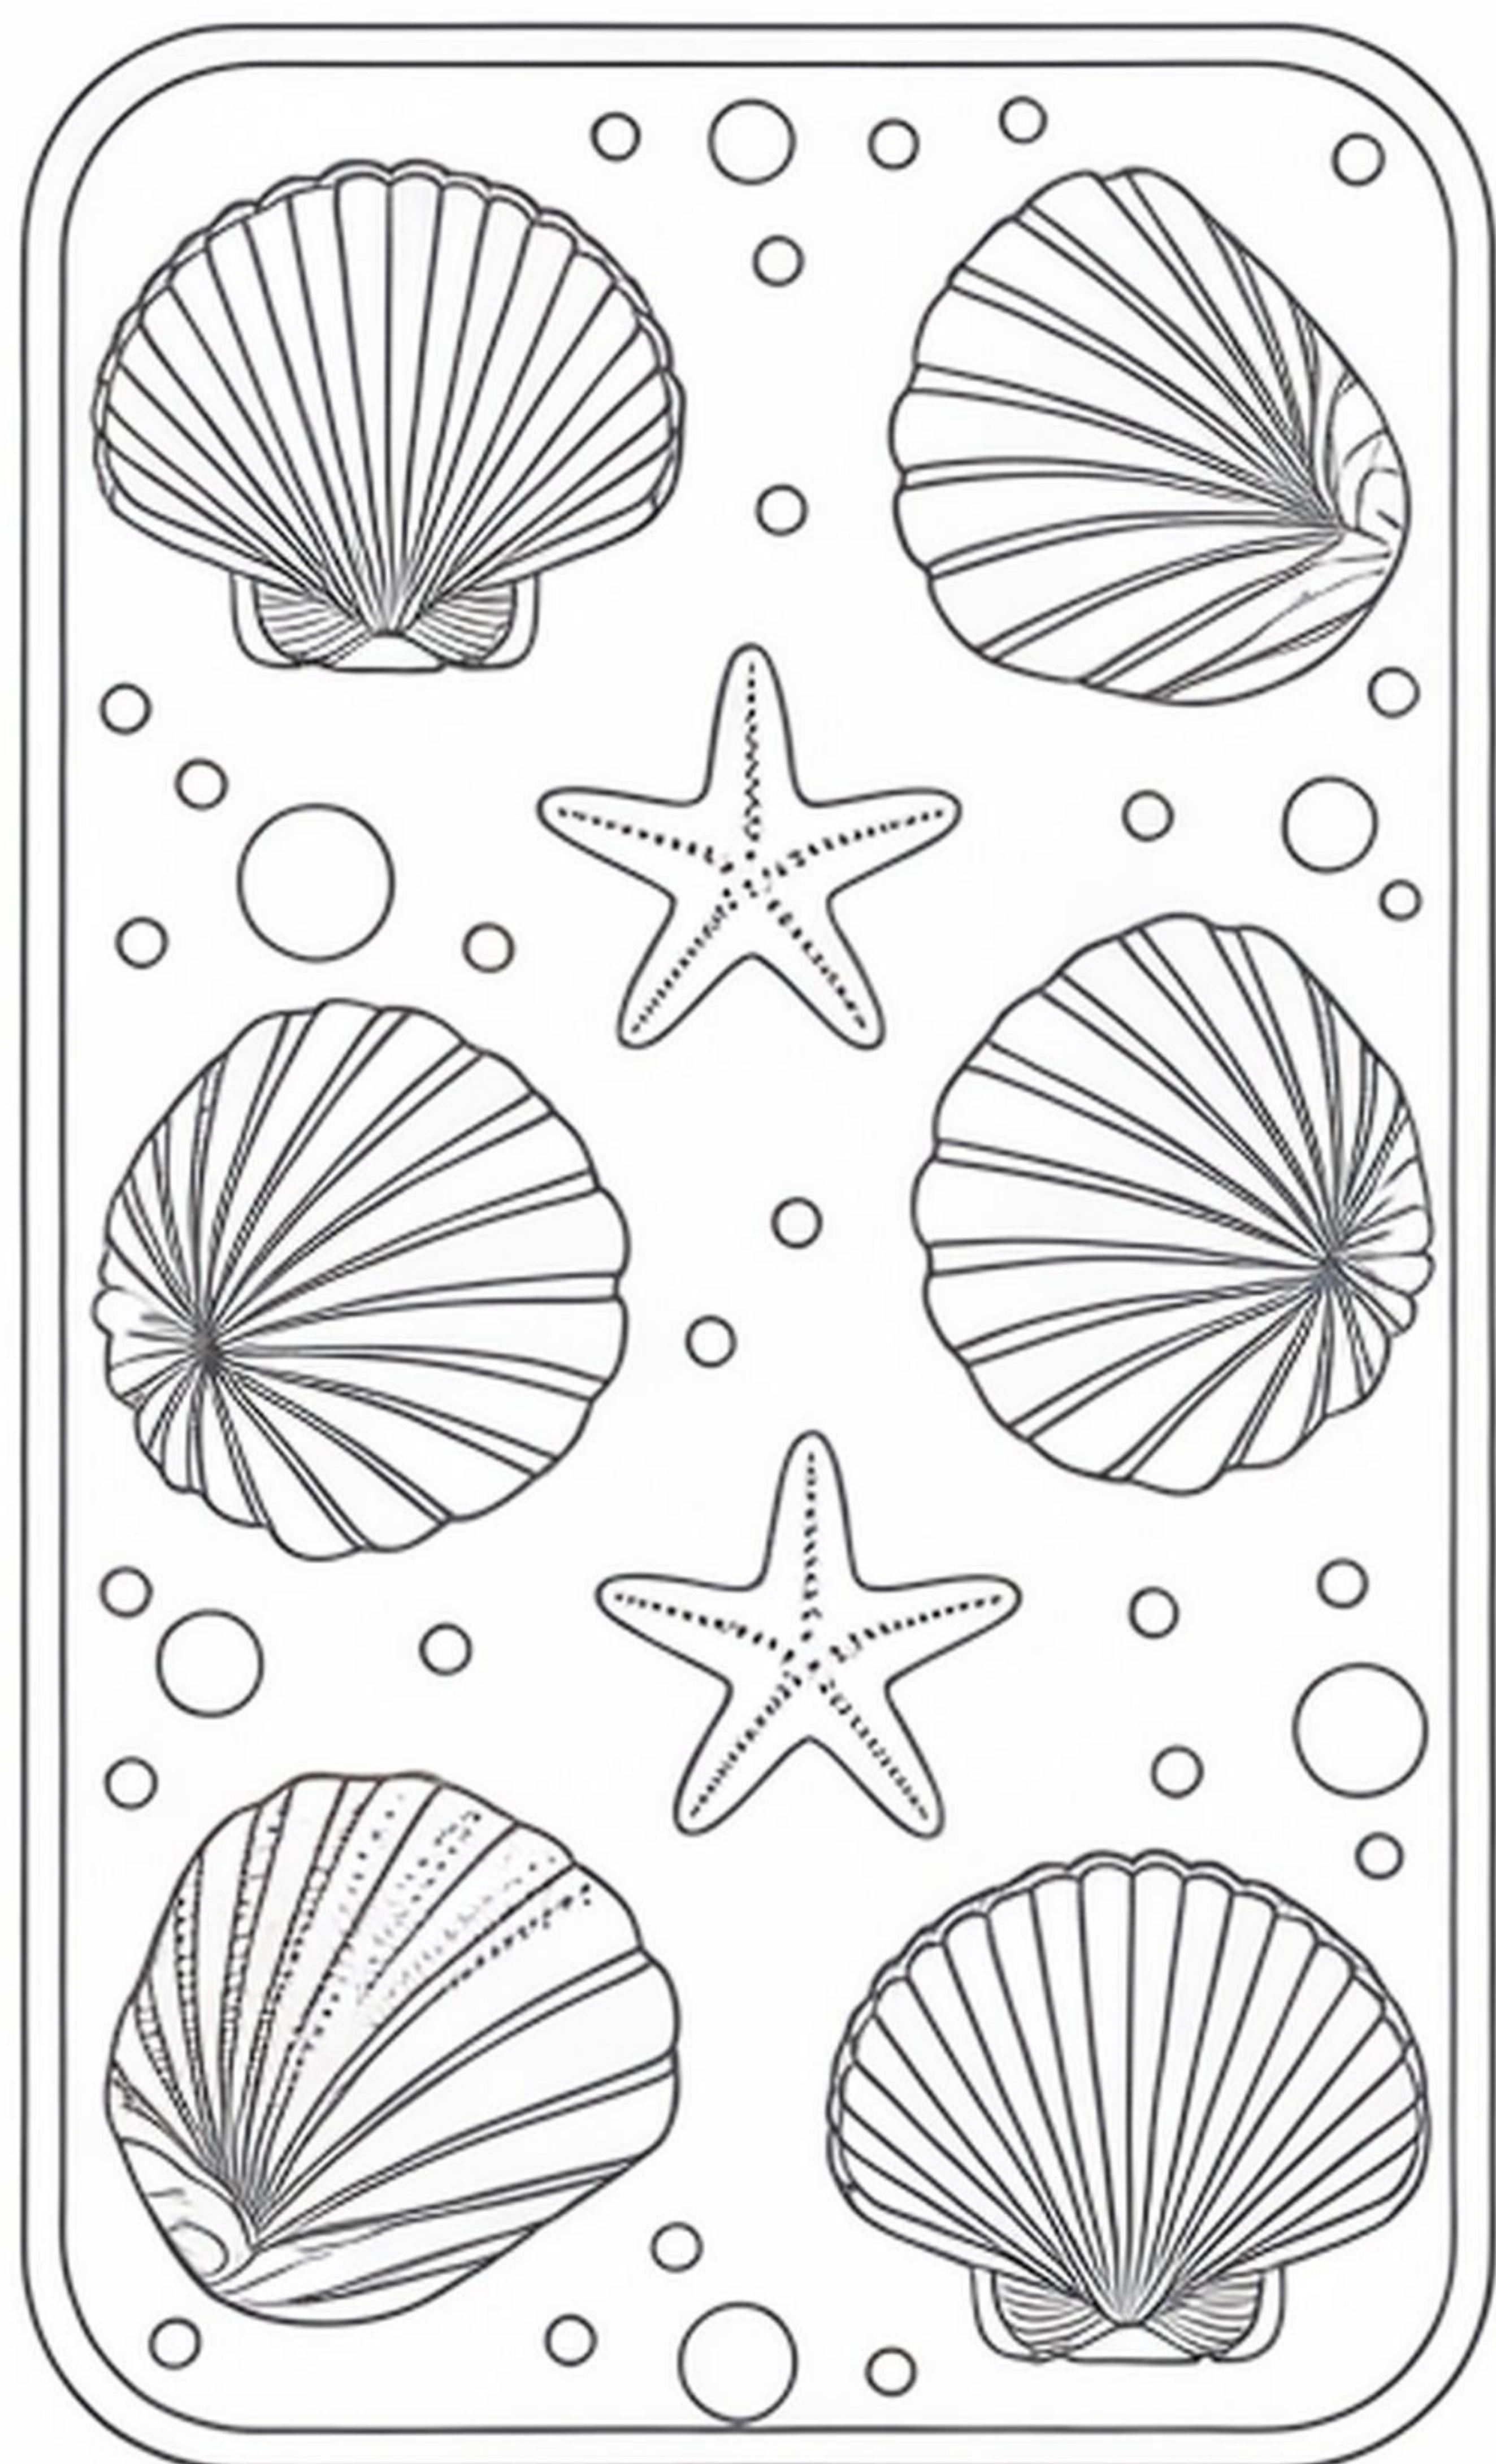

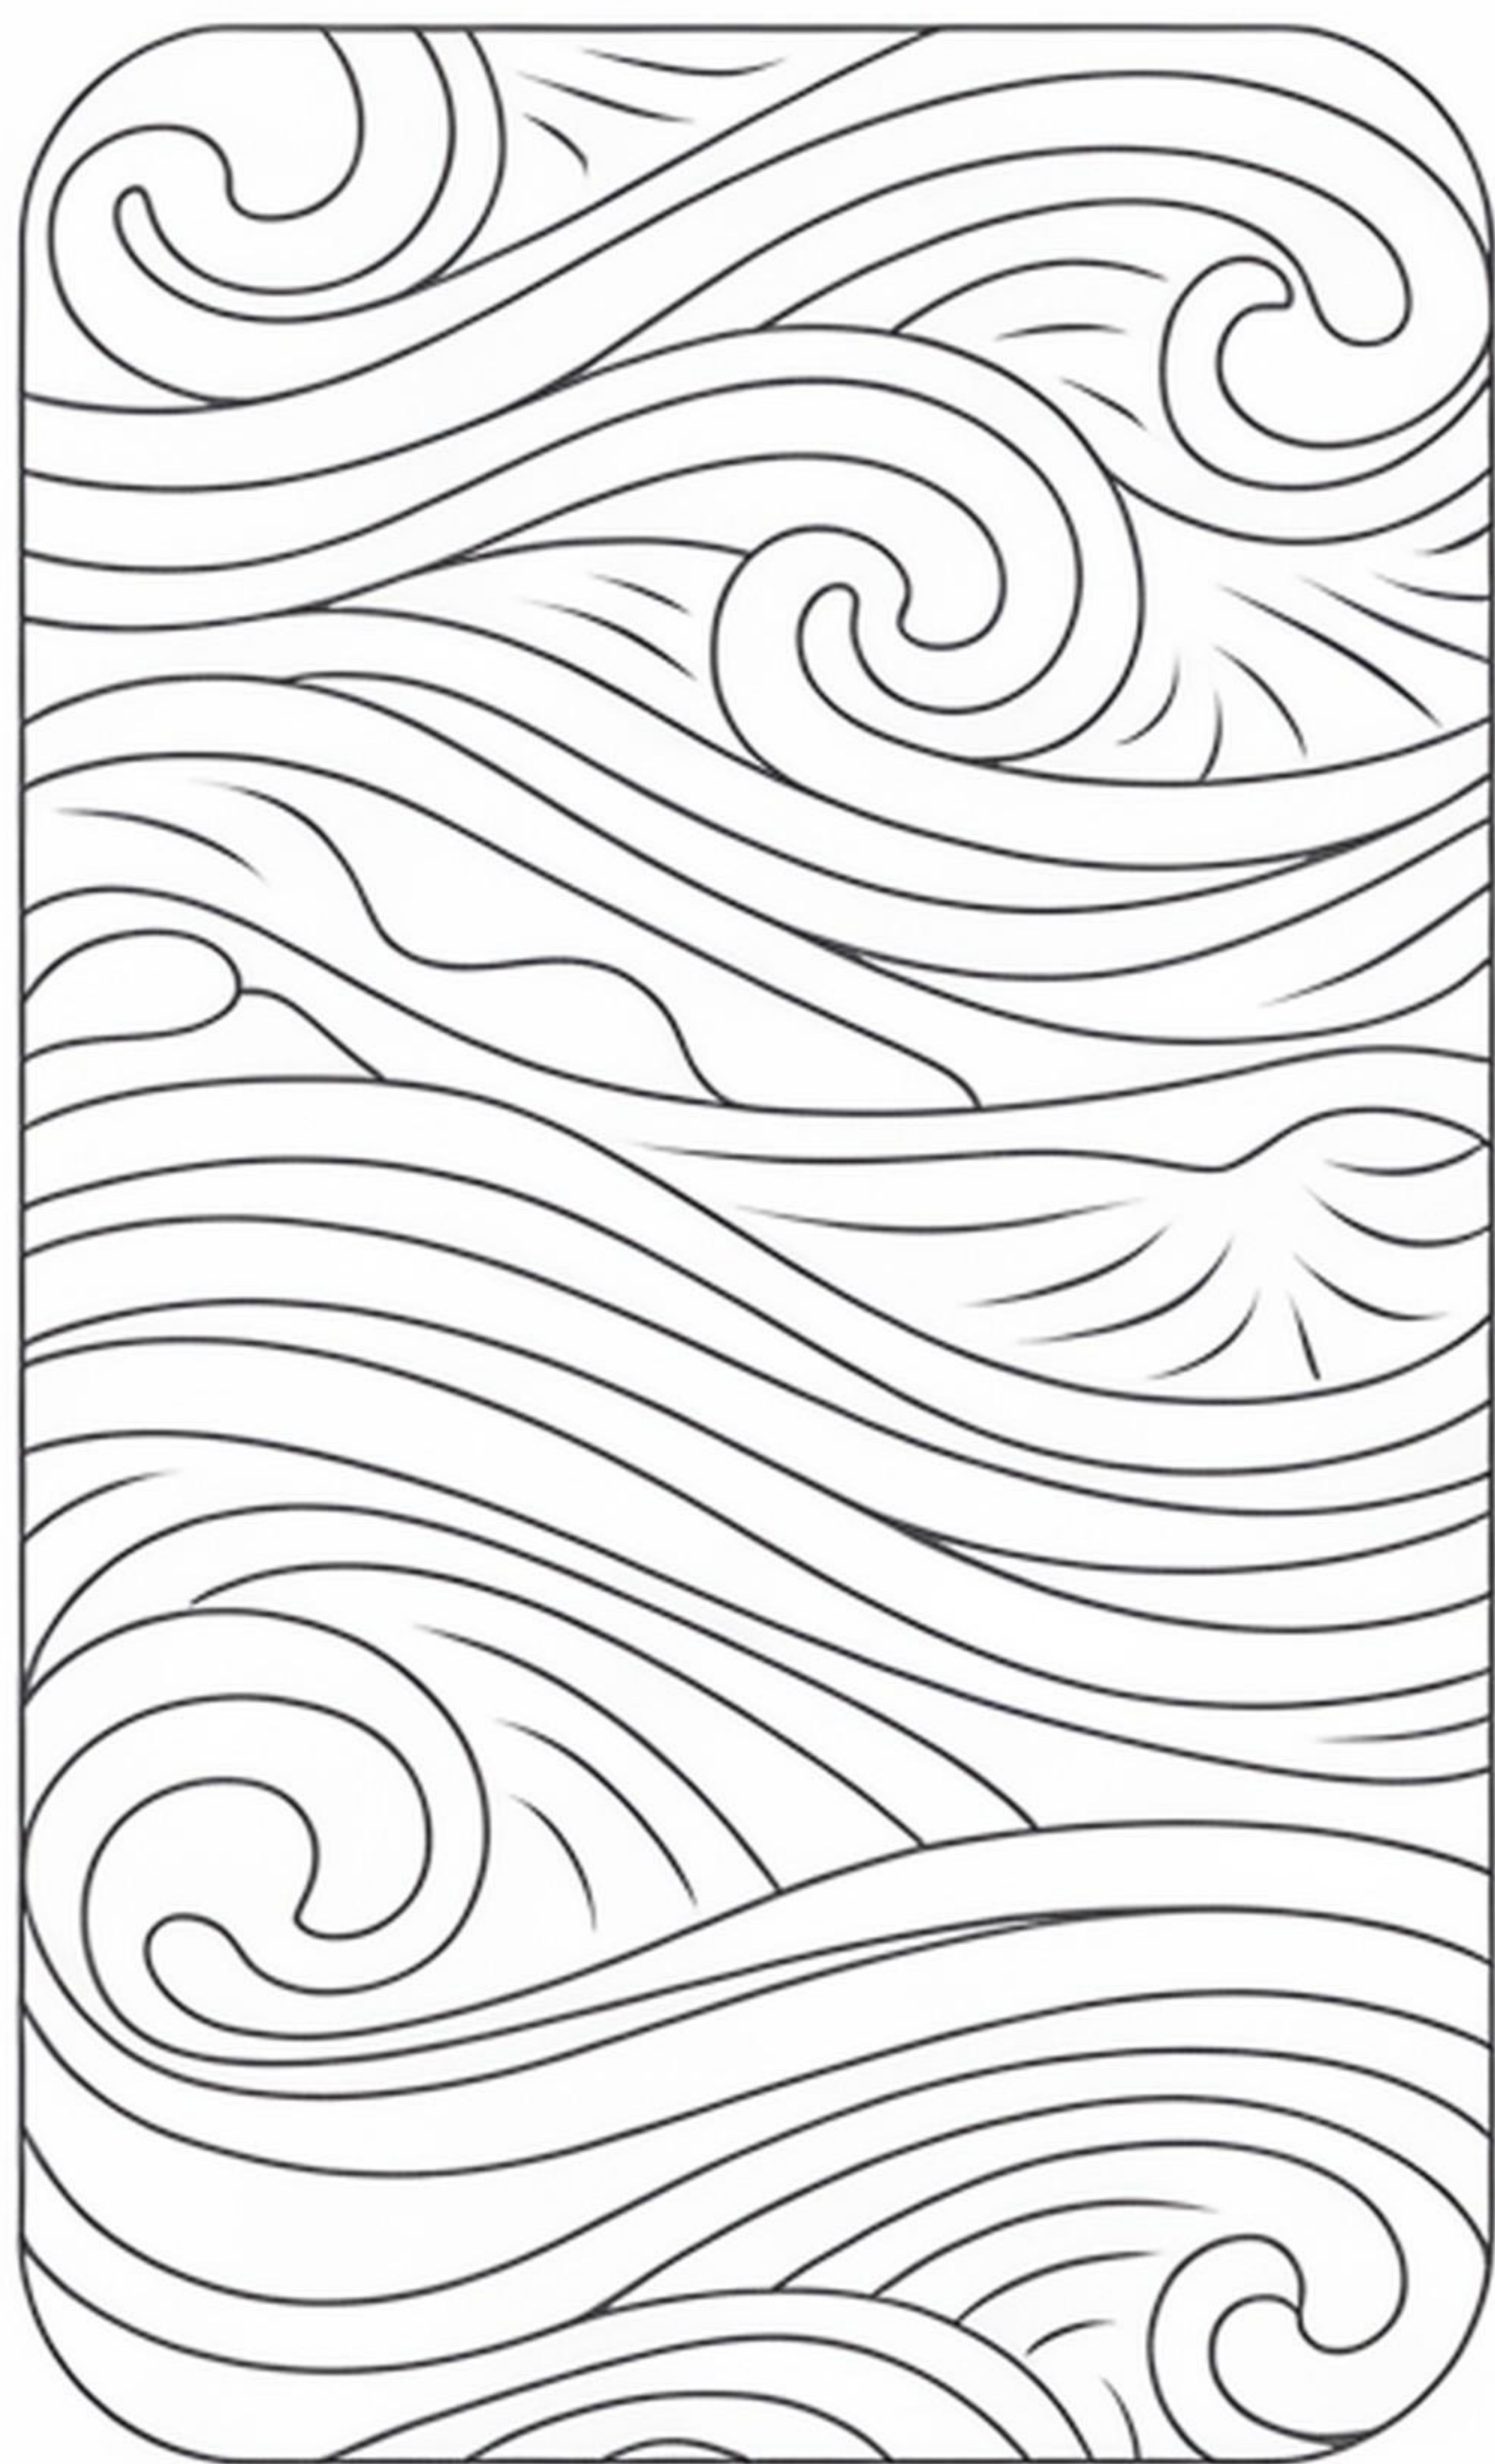

1. Browse through the bookmark designs for inspiration
2. Place tracing paper over a design and trace the outlines
3. Transfer the design to watercolor paper or cardstock
4. Paint with watercolors using the designs as your guide

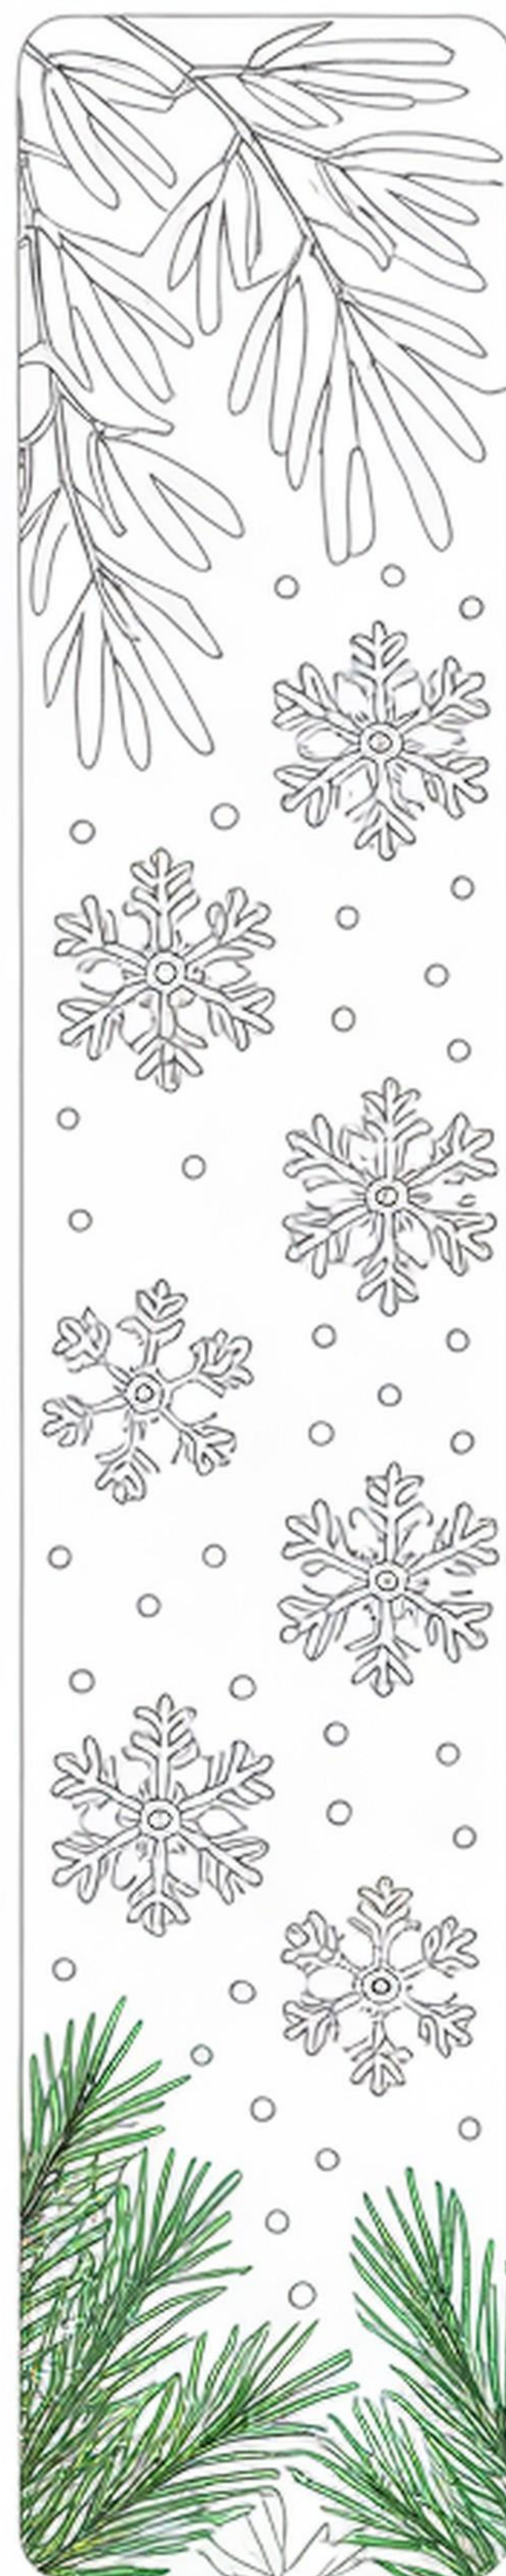

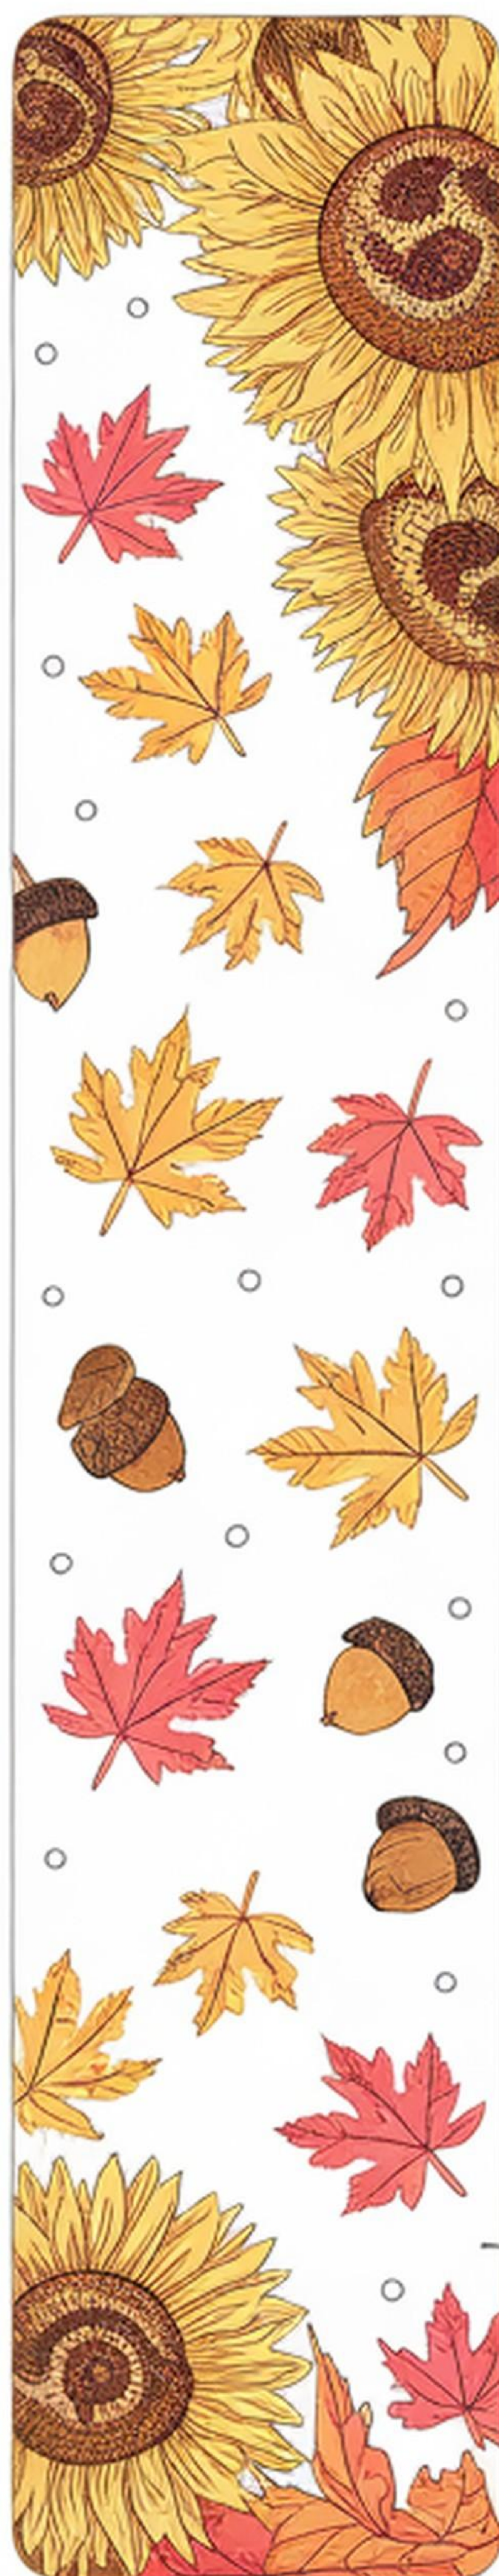

You can also use these as coloring pages - just print and color directly!
