

Colour the arch, add your name on the plate, and fill the sky with whatever you like.

Trim on the dashed line, decorate, then glue to your sketchbook. artsydee.com

A scalloped border to ink or paint. The centre panel is yours to fill.

Sketchbook

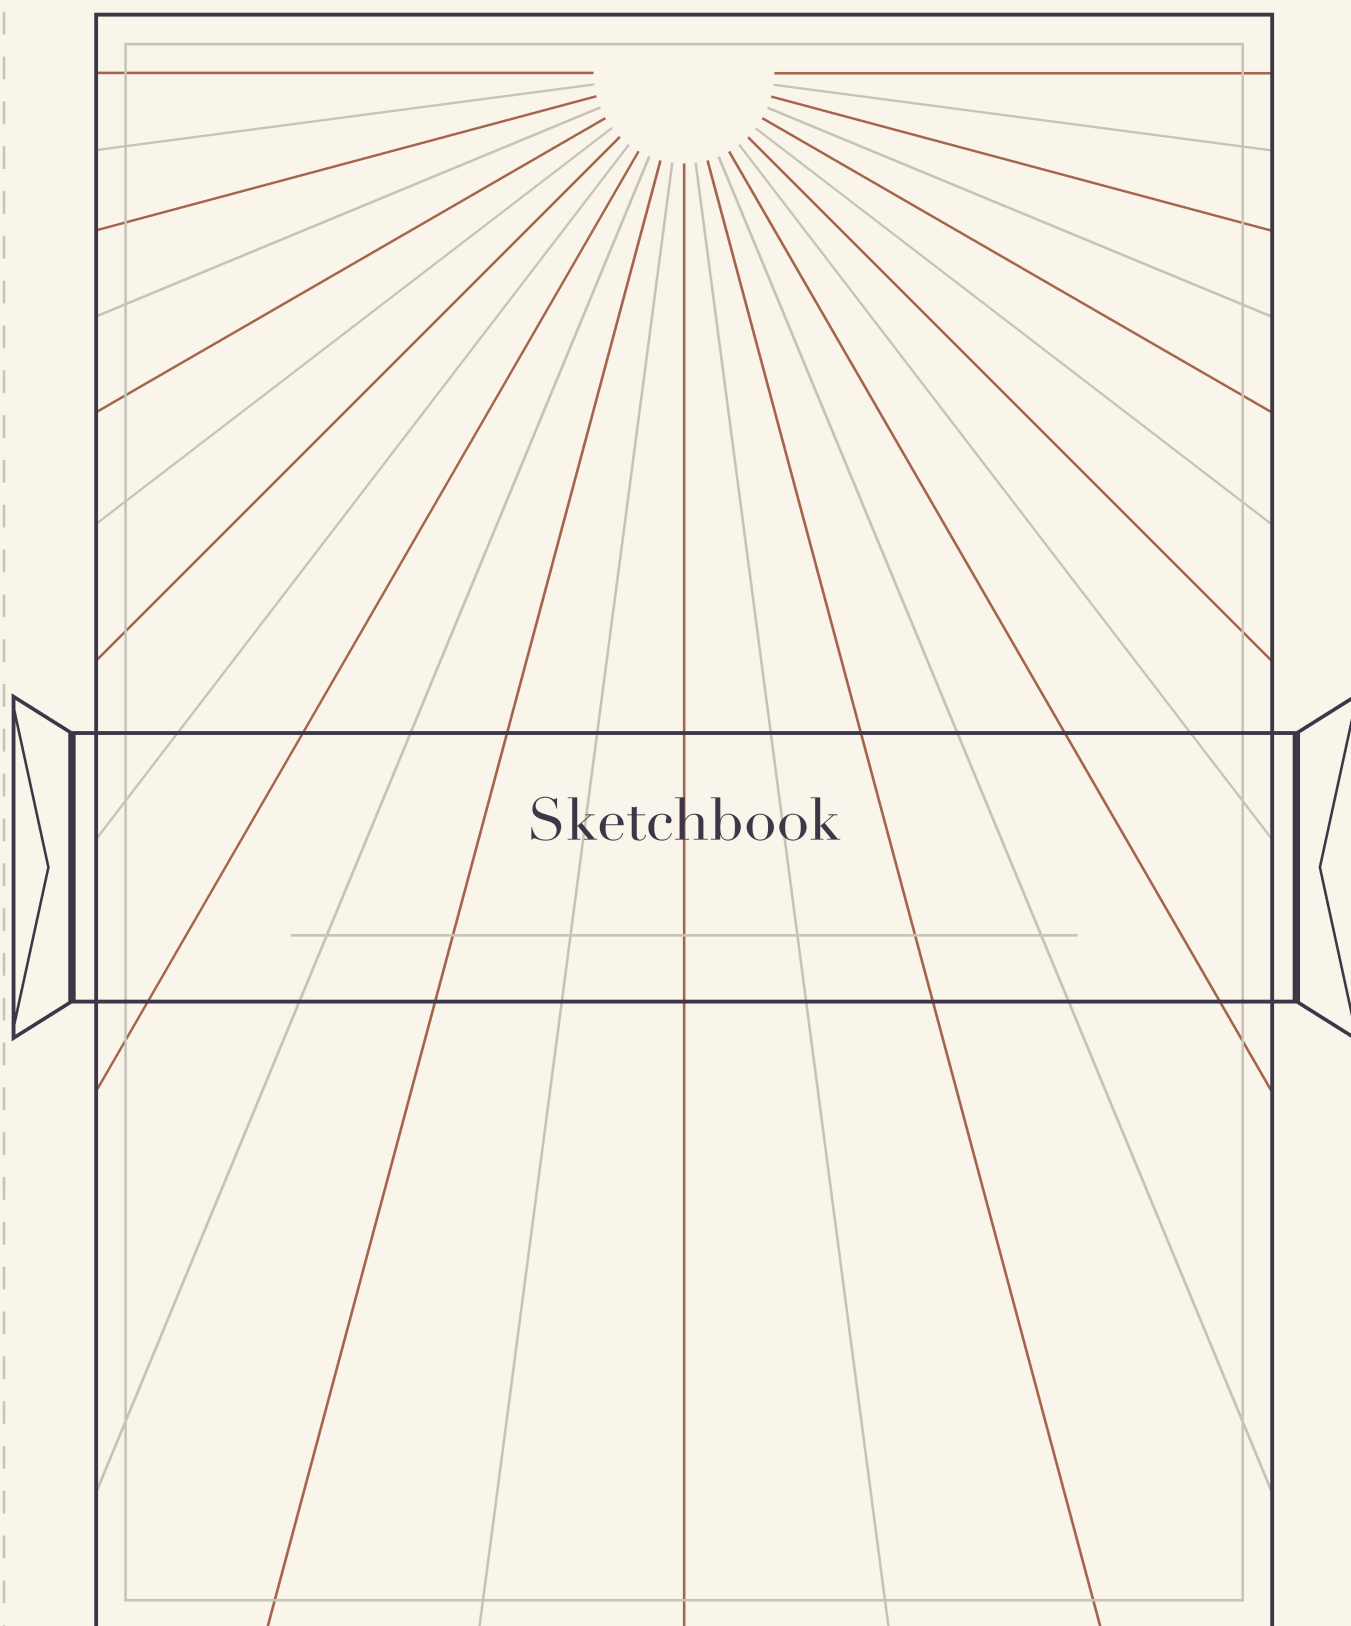

Twenty squares. Fill each one with a different pattern, colour or scrap of paper.

Trim on the dashed line, decorate, then glue to your sketchbook. artsydee.com

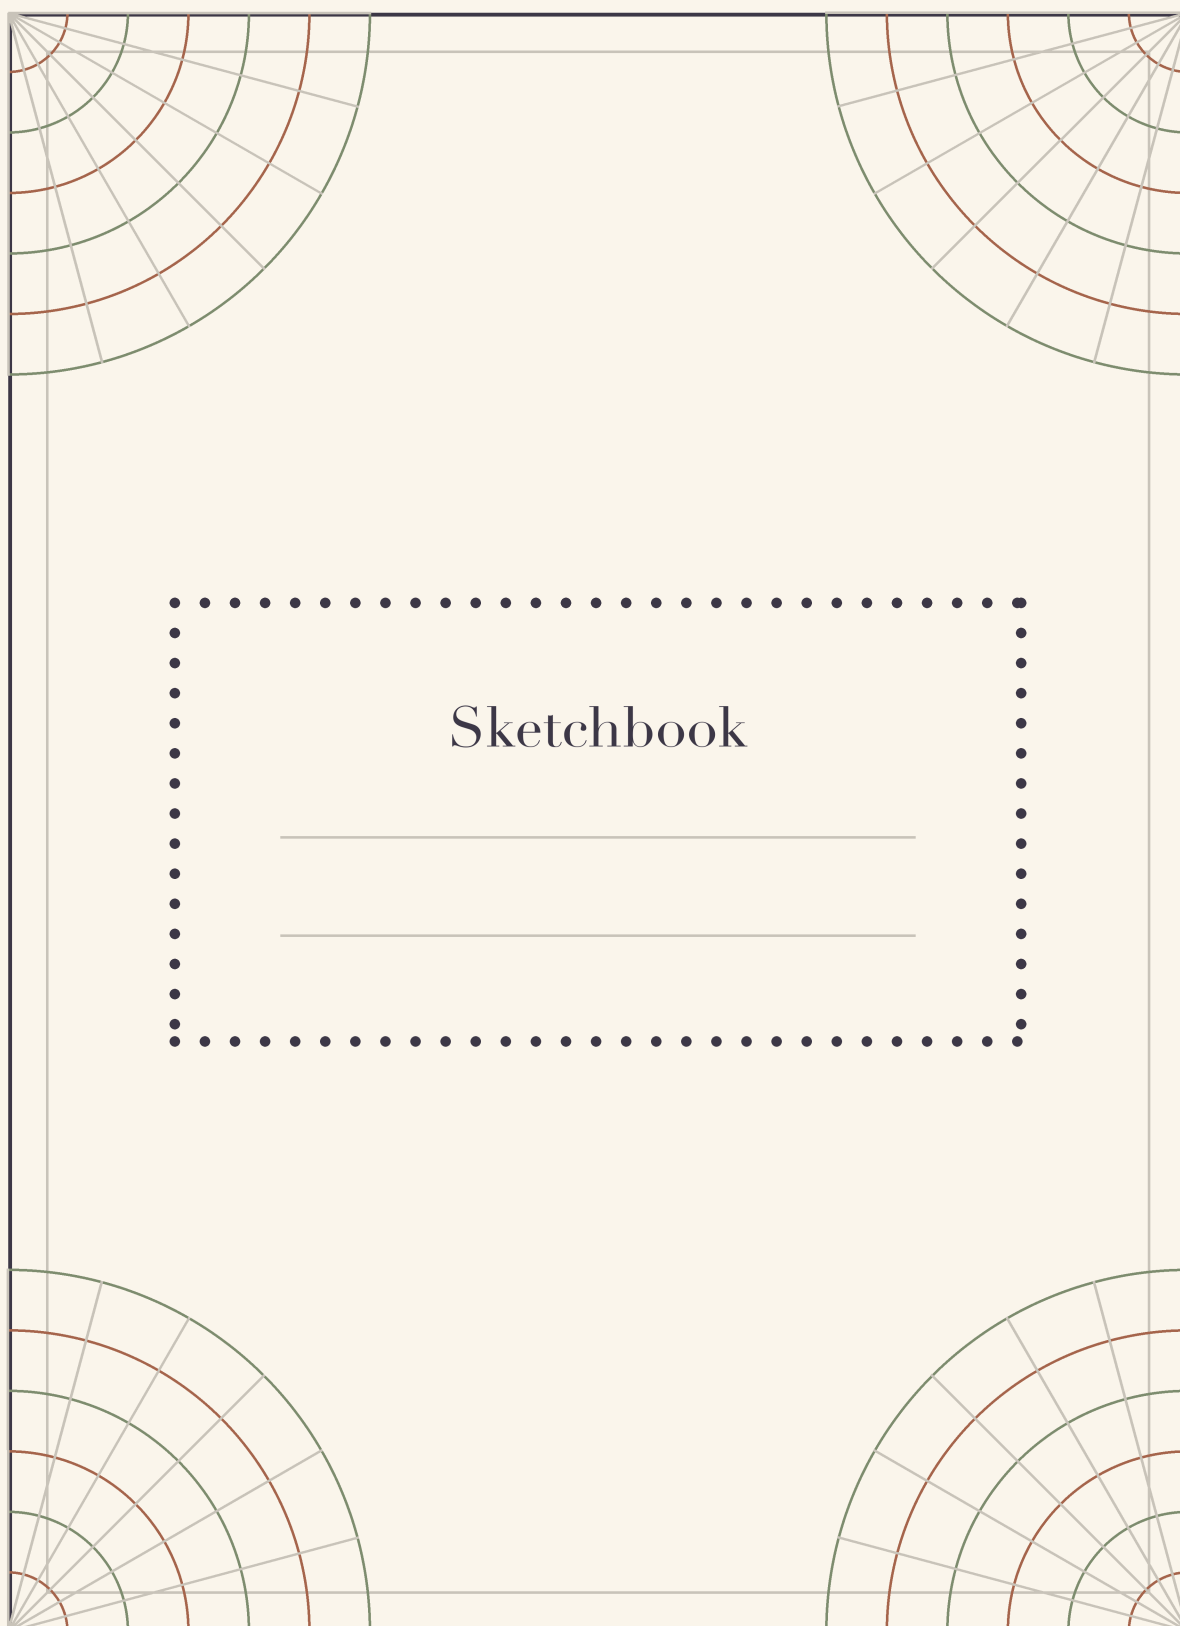

A wreath of simple leaves. Add berries, ink the stems, or paint it loose and wet.

Trim on the dashed line, decorate, then glue to your sketchbook. artsydee.com

Colour alternate rays for a sunburst, then letter your name across the ribbon.

Trim on the dashed line, decorate, then glue to your sketchbook. artsydee.com

Four corner fans and a dotted plate. Lovely in one colour, better in three.

Trim on the dashed line, decorate, then glue to your sketchbook. artsydee.com
