2. Cut along the thin grey line. Keep the two pages joined.
3. Fold on the red fold marks, pictures facing out, and crease well.

Make your mini in 20 minutes

Print, cut, fold and bind: no special tools needed

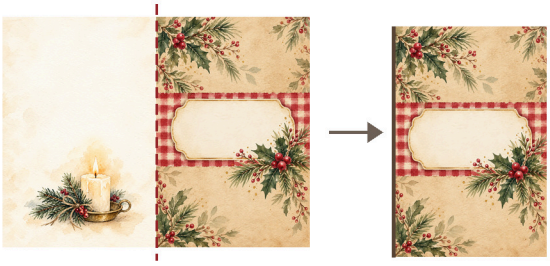

1 Print

Print page 1 at 100% (Actual size) on white card, 160 to 220 gsm. If your printer trims the side edges, choose Fit to page: your mini comes out a touch smaller.

2 Cut

Cut along the thin grey line round the outside. Keep the two pages joined: they're one piece that becomes the cover.

3 Fold

Fold in half on the red fold marks with the pictures facing out, and crease with a bone folder or the back of a spoon. The cover is on the front; the candle page is the back, ready for a gift note.

4 Fill and bind

Fold 3 or 4 sheets of plain or kraft paper (cut to 8 × 6 in) and tuck them inside. Poke 3 holes along the fold and stitch through with twine, or simply tie a ribbon round the spine. Write a name on the label and it's ready to give.
