

Junk Journal Sticker Sheets

a free set of printable stickers
to cut out & collage

A decorative border surrounds the page, featuring various elements: a large pink rose in the top left, a blue butterfly in the top right, a pink flower in the middle right, a large white flower in the bottom right, and another pink rose in the bottom left. There are also pieces of lace, torn paper, and small floral sprigs scattered throughout the background.

How to Use Your Sticker Sheets

1

Print your sticker sheets on sticker paper or thick paper.

2

Cut your stickers out with small scissors, along the outlines.

3

Stick them into your junk journal with a glue stick if using plain paper.

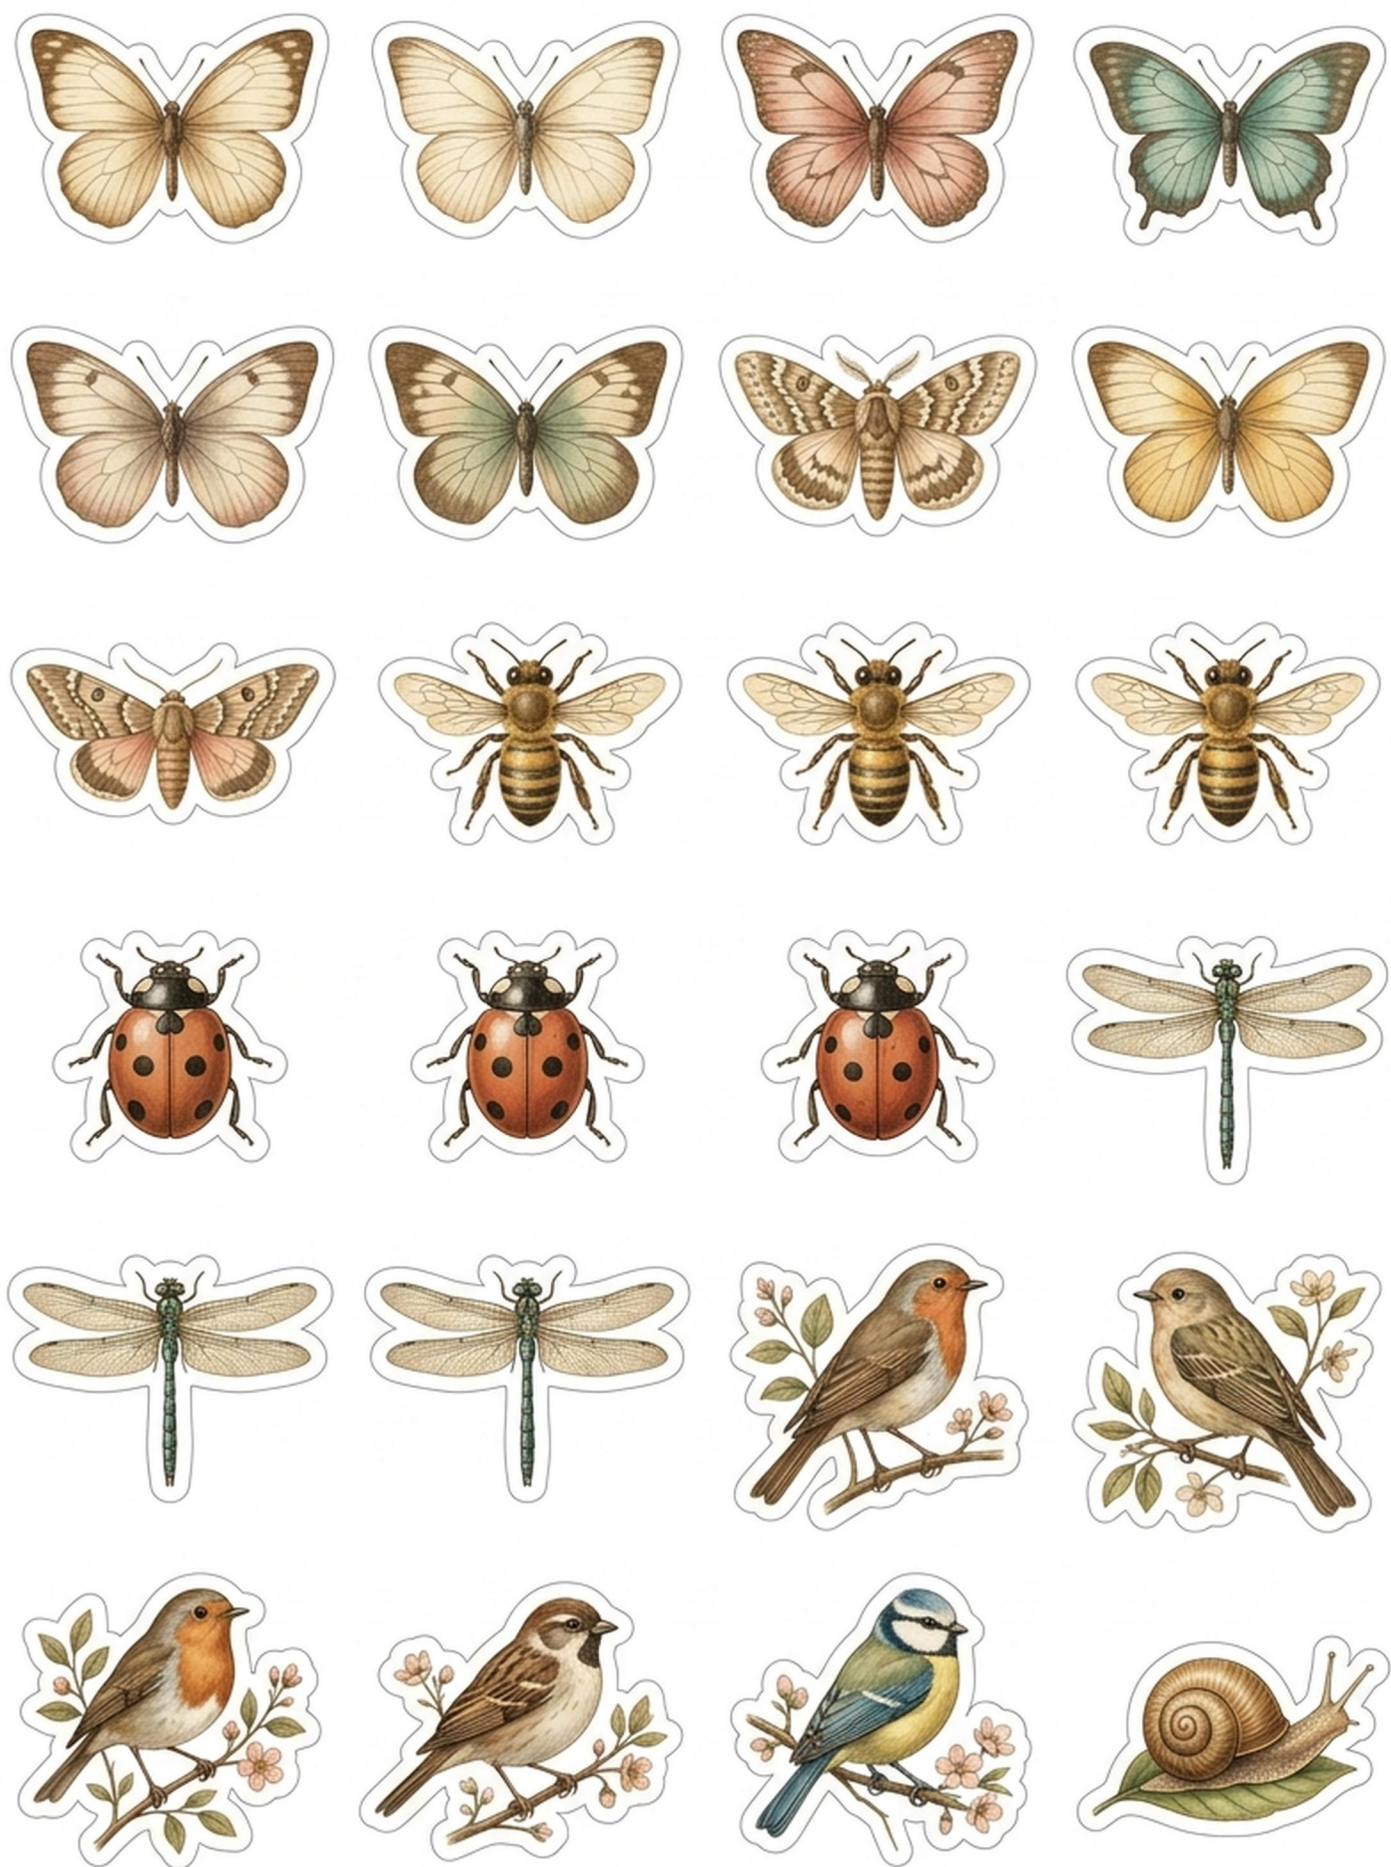

4

Mix and layer them with washi and ephemera to make them uniquely yours.
