How to use your signs

Print at 100% / actual size on watercolour or mixed-media card.

Paint the outline signs with light washes. Let them dry flat.

Cut on the dashed lines. Prop on a mantel, pin to a door,
or tape to a jar as a party-table label.

No paint? Print the ready-painted signs and you're done.

Want the whole party?

The Vintage Halloween Paint & Print Kit has 50 art pages:

12 shop signs · 12 potion labels · garland in 4 shapes

HAPPY HALLOWEEN bunting · treat-bag toppers

gift tags · party food tents

every page as an outline to paint AND ready-painted
