How to use your pages

Print, cut, choose your verses and build your 2027 board

1 Print

Print at 100% (Actual size) on A4 matte paper or thin card, about 160 gsm. On US Letter paper, choose Fit to page. For real stickers, print the verse stickers on full-page sticker paper.

2 Cut

Cut round each verse card, sticker and picture just inside the thin grey line, keeping a little white edge. The prayer, word and gratitude jar pages can go on your board whole.

3 Choose your verses

Start with a quiet moment, then pick one verse for the middle of your board and a few more for the areas of life you're praying about. All the verses are from the King James Version.

4 Build your board

Glue each verse beside the pictures it belongs with. Pin the answered prayers page in a corner and add to it, and to the gratitude jar, through the year.
